

Privacy Policy for Infestation Protocol

Welcome, brave engineer! This Privacy Policy explains how we collect, use, and protect your personal information while you embark on your mission in **Infestation Protocol** (the "Application"). By using this game, you're agreeing to the practices outlined in this policy.

Infestation Protocol is developed by **Box With Bytes** (the "Service Provider") and is available as a free-to-play experience on mobile devices. We are committed to safeguarding your privacy, and this policy covers how we collect and use data related to your gameplay.

1. Information We Collect

When you download and play **Infestation Protocol**, we may collect certain information to enhance your experience. This includes:

- **Device Information:** Your device's IP address, operating system, and unique device ID.
- **Gameplay Data:** Information about your in-game activity, such as the time you spend playing, the levels you complete, and any technical issues encountered.
- **App Usage:** Information on which parts of the game you visit, how long you stay, and your interactions within the game world.

Location

We do not collect precise location data (GPS).

2. How We Use Your Information

We use the information we collect for a few key purposes:

- **To improve your gameplay:** By analyzing game data, we can make updates to fix bugs, add new content, and improve the overall experience.
- **To provide support and updates:** We may use your contact information to notify you about important game updates, promotions, or technical issues.

3. Third-Party Services

We may use third-party services to help improve **Infestation Protocol**. These services are governed by their own privacy policies, and we encourage you to review them. Some of the third-party services we use include:

- **Google Play Services:** For analytics and advertising. You can review their privacy policy here: [Google Play Services Privacy Policy](#).

Please note that **Infestation Protocol** may use aggregated, anonymized data for analytics and advertising purposes. This data is used to help us improve the game and serve you relevant content.

4. Data Sharing & Disclosure

We may share your information in certain circumstances:

- **Legal Requirements:** We may disclose your information if required by law, such as to comply with a subpoena or legal process.
- **Service Providers:** We may share your data with trusted partners who help us improve the game. These partners are bound by confidentiality agreements and must follow the privacy rules described here.

We will never share your personal data for third-party marketing purposes without your consent.

5. Opt-Out and Uninstall

If you wish to stop all data collection, you can uninstall the game at any time. This will prevent any future data from being collected. To uninstall, simply follow your device's standard uninstall process.

6. Data Retention

We keep your data only as long as necessary to provide you with the best possible gaming experience. If you'd like us to delete your data, please contact us at obogdan1992@gmail.com, and we'll take care of it as quickly as possible.

7. Children's Privacy

Infestation Protocol is not designed for children under the age of 13. We do not knowingly collect personal information from children. If we learn that a child under 13 has provided us with personal data, we will delete it as soon as possible.

If you are a parent or guardian and you believe that your child has provided us with personal information, please contact us at obogdan1992@gmail.com.

8. Security

We take the security of your data seriously. We have implemented various physical, electronic, and procedural safeguards to protect your information. However, please be aware that no method of transmission over the internet or electronic storage is 100% secure.

9. Updates to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page, and we will notify you when significant updates are made. Continued use of **Infestation Protocol** after any changes means you accept the new terms.

This Privacy Policy is effective as of **2025-12-20**.

10. Your Consent

By continuing to play **Infestation Protocol**, you are consenting to the collection and use of your information as described in this Privacy Policy.

11. Contact Us

If you have any questions about this Privacy Policy or how your data is handled, feel free to reach out to us at:

Email: obogdan1992@gmail.com

Stay sharp, engineer. And good luck with the infestation!
