

## AGENDA

### 2<sup>nd</sup> September, Wednesday

Arrival day

### 3<sup>rd</sup> September, Thursday

8:00 – 9:00 Breakfast at the hotel

9:00 – 10:00 Transfer to the Lithuanian Sea museum

- Excursion “I am changing – the sea is changing”.** This is a tour of the Baltic Sea Animal Rehabilitation Center (BJGRC)  
Here we will hear about:
  - Environmentally friendly and functional architectural solutions.
  - The reason and purpose of the Baltic Sea Animal Rehabilitation Center.
  - The path of animals to the Baltic Sea Animal Rehabilitation Center.
  - The stages of rehabilitation of foundling seals: modern equipment and care, exceptional nutrition.
  - The water path from the sea to the pools of the rehabilitation center.
  - The rehabilitation program “I am changing – the sea is changing”.
  
- Interactive and educational activity**
  - Through attractive dystopian stories of animals in the Baltic Sea in 2050, we will engage RYLA participants in creating a more sustainable environment, starting with changes in everyday activities.

12:15 – 13:30 Lunch and transfer

14:00 – 16:30 Meeting at the Administration of the Curonian Spit National Park

- RYLA participants will learn how climate change influences coastal erosion processes, experience and better understand the damage invasive plant species cause to native ecosystems, and gain insight into why continuous human intervention is essential to preserve valuable open habitats along the Lithuanian coast and in other Baltic Sea coastal regions.

17:00 Coming back to the hotel

18:30 Joint dinner/networking. *The place TBC*

### 4<sup>th</sup> September, Friday

8:00 – 9:00 Breakfast at the hotel

9:00 – 10:00 Transfer to the Marine Research Institute at the Klaipeda University

10:00 – 12:00 Marine Research Institute at the Klaipeda University.

- RYLA participants will meet researchers from Klaipėda University who work in its laboratories, addressing plastic pollution and other challenges facing the Baltic Sea.

12:00 – 13:00 Lunch

13:00 – 16:00 Visiting Klaipeda Science and Technology Park.

- Summarising the challenges presented during previous meetings, working in groups, and developing solutions.
- Leadership training sessions.

16:00 – 17:00 Transfer to Palanga

18:30 Joint dinner/networking. *The place TBC*
