

## **Privacy Policy**

### **Introduction**

Welcome to the Coloring Book App for Kids. This Privacy Policy describes our policies and procedures on the collection, use, and disclosure of your information when you use the App and tells you about your privacy rights and how the law protects you.

### **Personal Data**

Coloring Book App for Kids does not collect or store any personal data directly from its users. All payment transactions are processed securely through Apple's In-App Purchase (IAP) system, and any payment information is handled exclusively by Apple.

### **Use of Data**

The data collected by Apple's In-App Purchase system is used exclusively for processing purchases made within the app. No personal data is stored or used by the App itself.

### **Children's Privacy**

Since this app is intended for use by children under the age of 10, we do not collect personal information directly from users. Parental consent is required for making purchases within the app. We encourage parents to monitor and guide their children's use of mobile applications, including the Coloring Book App for Kids.

### **Security of Your Data**

The security of your personal data is important to us. However, please remember that no method of transmission over the internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your personal data, we rely on Apple to secure all payment information through their systems.

### **Changes to This Privacy Policy**

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. We will let you know via in-app notifications and/or a prominent notice on our App, prior to the change becoming effective. You are advised to review this Privacy Policy periodically for any changes.
