- **Project Title:** Using Simulation-based Intervention to Improve Research Methods Teaching and Learning. A **\$450,000** grant application submitted to **Spencer Foundation Large Research Grants on Education Program**. In collaboration with the University of South Africa, North Carolina Central University, Carleton University and Uganda Management Institute.
- **Project Title:** Green Crowdsourcing Logistics: Mobile Application. A **\$156,000** grant application submitted to **Africa-Nuanced Sustainable Development Goals Research Support Programme (ASDG-RSP)**. In collaboration with the University of South Africa.

#### INDUSTRY (WORK) EXPERIENCE

##### **Senior Procurement Manager | Pennine Care NHS Foundation Trust | UK | 2015 to 2017**

Delighted to join this ambitious trust to lead on a wide variety of procurement initiatives.

- Headhunted to lead complex procurement projects relating to various categories of spend, and to support the Head of Procurement in delivering high-quality procurement services.

##### **Senior Manager, Procurement & Supply Chain | Royal Wolverhampton Hospitals, NHS | UK | 2014 to 2015**

I joined this well-established trust to lead the implementation of best practice procurement initiatives.

- Responsible for implementing the Trust’s Supply Strategy across all directorates.

##### **Procurement Manager | Sherwood Forest Hospitals, NHS Trust | UK | 2013 to 2014**

Returned to the NHS to reaffirm my commitment to implementing best practice solutions into the public sector ensuring quality value for money and having a substantial impact across a large geographical area.

- Given the personal responsibility for the category strategy for a wide portfolio of products and services.

##### **Procurement Consultant | National Institute for Health and Care Excellence | UK | 2012 to 2013**

Joined this non-departmental public body hosted by the Department of Health to gain experience in another type of healthcare organisation.

- Recruited as a consultant on public procurement strategy and research.

##### **Lead, Procurement and Tendering | Halton & St. Helens PCT, NHS | UK | 2009 to 2012**

- Led the management of procurement and commission of clinical services for the North West of England, serving a population of 301,130 residents.

#### LEADERSHIP (BOARD MEMBER & ADVISORY ROLES)

##### **Research Advisory Panel (Member) | Africa Resource Centre | South Africa | 2019 to date**

- Providing leadership and advice on the overall balance and direction of research grants portfolio for one of the Bill and Melinda Gates foundation’s most prominent organisations – conduct independent peer review of research proposals navigation the Foundation’s healthcare supply chain research initiatives in Africa.

### Member Board of Directors (Trustees) at Agritech and Social Innovation Hub | Nigeria | 2019 to date

- Providing leadership and strategic guidance on projects aimed at enhancing sustainability and innovation in food value chains in Africa.

### Special Adviser on Public Health Chains Supply Initiatives | Cooper/Smith | USA | 2019 to date

- Providing high-level, strategic guidance and technical expertise to promote evidence-based policymaking/practice, and build data use culture, amongst public sector decision-makers in Africa.

### Member, Sustainability Steering Group | Pennine Care NHS Foundation Trust | UK | 2015 to 2017

- Supported the Trust strategically with regards to the implementation of their sustainable development strategy to deliver world-class care services across the Pennine region.

### Member, Carbon Reduction Strategy Group | Halton & St Helens PCT, NHS | UK | 2009 to 2011

- Appointed to advise on the delivery of the Trust's CRS strategy and to prepare the annual report to the Trust Board and its appropriate key internal and external stakeholders.
