

Privacy Policy

STORE PRO STATEMENT OF PRIVACY PROTECTION

- Store Pro attaches great importance to protecting your privacy. Before using the services or apps provided by Store Pro, please read carefully the following statements.
- In order to provide more accurate and well-targeted services, Store Pro may use personal information submitted by you in the manners mentioned below; nevertheless, Store Pro will treat such information with a high level duty of diligence. Without your permission, Store Pro will not disclose such information or provide such information to any third party.

Protecting YOUR Privacy

- It is Store Pro's principle to respect the privacy of the personal information of our users. Store Pro will take reasonable measures to protect user's personal information, without disclosing such information to any third party other than its Partners (without the consent of the user), unless such disclosure is (i) required by law, court order or competent government departments or (ii) agreed to by the user. Exceptions will be applied if the user selects to accept such disclosures during the registration process (where applicable), or is otherwise stipulated on the disclosure or use of a user's personal information between the user and Store Pro and its Partners. The user shall bear any risks that may arise from any authorized disclosure of a user's personal information. For the operation and improvement of Store Pro's technologies and services, Store Pro may collect and use the non-personal information of its users, or provide such information to third parties, in order to provide better user experience and improve the quality of our services.

Collection of Information

- Store Pro may collect your personal information when you voluntarily opt to use our services, apps or provide us with your personal information. We may use your personal information to communicate with you, and may send certain mandatory service communications to you, such as notification, information on technical

service issues, and security announcements. We may also occasionally send you product surveys or promotional mailings to inform you of other products or services available from Store Pro and its affiliates. Your download, installation and use of the software shall be deemed to constitute consent to our use of your personal information.

- In addition, your download, installation and use of products/service from Store Pro and its affiliates, shall be deemed that you have expressly provided your consent to Store Pro for disclosure of personal information to Store Pro's partners and/or affiliates "Partners").
- In the event you submit feedback to us via our website, we may collect and use certain of personal information you provide to us, including your e-mail address, which we may use to operate and improve our website and product(s) and deliver the service or carry out improvements you have requested. These uses may include providing you with more effective customer service; making the sites, products or services easier to use.
