**Exploratory**

- **Health-** empathy interviews are due December 20

### **Thursday, December 19, 2019**

**Math:** All work will be collected by Friday before break

**English:** None

**Science:** Come to school ready for VOLLEYBALL!

**Social Studies:** Complete questions on google doc for your Prezi

**Math Artessa:** none

**Exploratory**

- **Health-** empathy interviews are due December 20

### **Wednesday, December 18, 2019**

**Math:** 1) Finish pg. 87-89 #1, 2, 4, and 7

2) Unit test on tomorrow

3) PSet 5 due tomorrow

All work will be collected by Friday before break

**English:** Late Ch 8 questions.

**Science:** Teach someone about thermal energy using one of the activities we did in class.

**Social Studies:** Countries of Asia quiz tomorrow. You can study on [Sheppard Software](#) or [Google Classroom](#)

**Math Artessa:** division with 2 digit

**Exploratory**

- **Health-** empathy interviews are due December 20

### **Tuesday, December 17, 2019**

**Math:** 1) pages 87-89 problems 1, 2, 4, and 7. There will be some time tomorrow in class to continue work on this and it is due Thursday

2) Unit test on Thursday

3) PSet 5 due by Thursday

All work will be collected by Friday before break

**English:** Finish reading chapter 8 and your reading question. The chapter is on Google Classroom.

**Science:** Teach someone about thermal energy.

**Social Studies:** Countries of Asia quiz on Thursday. You can study on [Sheppard Software](#) or [Google Classroom](#)

**Math Artessa:** division with 2 digit

**Exploratory**

- **Health-** empathy interviews are due December 20

### **Monday, December 16, 2019**

**Math:** PSet 5 due by Thursday; turn in Wednesday if you want Mr. Libardoni to check it *before* your test on Thursday

**English:** Bring your SOAR book to class everyday

**Science:** None

**Social Studies:** Countries of Asia quiz on Thursday. You can study on [Sheppard Software](#) or [Google Classroom](#)

**Math Artessa:** division with 2 digit

### **Friday, December 13, 2019**

**Math:** PSet 5 due by Thursday

**English:** None

**Science:**

1. Study the difference between solids, liquids and gases by reviewing the concepts on the Phases of Matter Chart that we filled in last week in class. There is a copy of it on Google Classroom. Use the quizlet on Google Classroom to study this information or come up with your own way to remember this information.

2. Teach someone about how atoms move by doing one of the demos we did in class.

**Social Studies:** Complete Current Events sheet if not completed in class

**Math Artessa:** NONE

### **Thursday, December 12, 2019**

**Math:** Do two more problems on PSet 5

**English:** Bring your SOAR book tomorrow and fly away to new heights with your story.

**Science:** Quiz tomorrow

1. Study the difference between solids, liquids and gases by reviewing the concepts on the Phases of Matter Chart that we filled in last week in class. There is a copy of it on Google Classroom. Use the quizlet on Google Classroom to study this information or come up with your own way to remember this information.

2. Teach someone about how atoms move by doing one of the demos we did in class.

**Social Studies:** None

**Math Artessa:** NONE

### **Wednesday, December 11, 2019**

**Math:** Do two problems of PSet 5

**English:** I can find and record evidence that either supports or denies that *Gilgamesh the Hero* is an epic

**Science:** 1. Study the difference between solids, liquids and gases by reviewing the concepts on the Phases of Matter Chart that we filled in last week in class. There is a copy of it on Google Classroom. Use the quizlet on Google Classroom to study this information or come up with your own way to remember this information.

2. Teach someone about how atoms move by doing one of the demos we did in class. There will be a quiz on Friday.

**Social Studies:** None

**Math Artessa:** Test Thursday, tomorrow. division problems 2-12

### **Tuesday, December 10, 2019**

**Math:** None

**English:** Bring your SOAR book to class every day

**Science:** Study the difference between solids, liquids and gases by reviewing the concepts on the Phases of Matter Chart that we filled in last week in class. There is a copy of it on Google Classroom. Use the quizlet on Google Classroom to study this information or come up with your own way to remember this information.

**Social Studies:** Finish the five categories from your group reading in class

**Math Artessa:** Test Thursday, 12/12.... More Basic division problems 2-12

### **Monday, December 9, 2019**

**Math:** Finish only Part A and B of Problem 3.1 from class - DO NOT SPEND MORE THAN 20 MINUTES

**English:** Bring your SOAR book to class every day

**Science:** Study the difference between solids, liquids and gases by reviewing the concepts on the Phases of Matter Chart that we filled in

last week in class. There is a copy of it on Google Classroom. Use the quizlet on Google Classroom to study this information or come up with your own way to remember this information.

**Social Studies:** None

**Math Artessa:** Test Thursday, 12/12... 2-12 Basic division Practice

### **Friday, December 6, 2019**

**Math:** Late work

**English:** Scholastic orders due Monday (see read text above).

**Science:** None

**Social Studies:** Finish and turn in summary of civilization and culture in Mesopotamia on google classroom.

**Math Artessa:** none

### **Thursday, December 5, 2019**

**Math:** Late work

**English:** 1) Bring in SOAR book for class tomorrow. 2) Scholastic orders due Monday (see read text above).

**Science:** Study for retake of measuring atoms. Last chance for Bill Nye video. Review concepts of phases of matter chart.

**Social Studies:** None or if you are not going to be here on Friday, finish your rough draft

**Math Artessa:** long division rounding to the thousandths place 1-4

### **Wednesday, December 4, 2019**

**Math:** Scaling HW sheet due Thursday - use multiple strategies and show work (read the directions)

**English:** Finish Hall of Fame questions

**Science:** Late Bill Nye phases of matter questions. Study for retake of measuring atoms.

**Social Studies:** None

**Math Artessa:** repeating decimal division 1-4

### **Tuesday, December 3, 2019**

**Math:** Scaling HW sheet due Thursday - use multiple strategies and show work (read the directions)

**Anyone who wants to redo any of PSET #4 must come at lunch or after**

**school on WEDNESDAY THE 4TH**

**English:** Vocab quiz re-do tomorrow

**Science:** Finish Bill Nye phases of matter video on google classroom and study for retake on Friday

**Social Studies:** None

**Math Artessa:** Converting fractions using division 1-6

**Friday, November 22, 2019**

**Math:** None (Missing work--get caught up)

**English:** Read

**Science:** None

**Social Studies:** None

**Math Artessa:** Number Places 1-7

**Thursday, November 21, 2019**

**Math:** pg. 51 #1, 3, 8, 12, \*\*4
