

Alta Sierra Intermediate School

Mathematics Department

2023-24

Course: Math Strategies

School Phone: (559) 327–3500

School Website: <https://altasierra.cusd.com/>

Parent Connect (Grades): <https://qweb.clovisusd.k12.ca.us/ParentPortal>

Textbook: HMH Math 180; McGraw-Hill Illustrative Mathematics Course 3; accessible via Clever

Course Overview: This class is to help you become more successful in math. This class will reinforce the concepts taught in the regular Math class and provide intervention for previous grade level standards. Math Strategies is designed so that students should complete classwork during a given class period. If/when classwork is not completed, students will be expected to finish it as homework.

Extra assistance:

- <http://mathhelp.cusd.com/>
- Math lab – Wednesday after school
- Tutor list (high school students) will be available upon request

Expectations:

- Come to class with an open mind about math
- Complete all classwork
- Actively participate

Recommended Supplies:

- Refer to Math syllabus

Grades:

- Attendance
- Participation
- Math 180
- i-Ready

Exiting Criteria: This class has the potential to be a semester elective class. You must have a 70% or better in your regular Math & Math Strategies classes, along with an on grade level i-Ready Diagnostic Test score/on grade level Math 180 Mid-Year Assessment, to be considered as a candidate to exit this class.

Absences:

- If you are absent, find out what you missed from Google Classroom.
