

LTI Working with AUC applicants to facilitate CASA@AUC entrance exam process

You will take four separate tests – the Oral Proficiency Interview on Computer (OPIc), the Writing Proficiency Test (WPT), the Reading Proficiency Test (RPT), and the Listening Proficiency Test (LPT), scheduling a remotely proctored session for each one separately. These sessions do not have to be on the same day. If, however, you do want to schedule multiple tests on one day, you should allow for abundant time between tests because the tests are not timed, and connecting with the remote proctor can take up to 15 minutes.

Here are average times per test including remote proctor connection:

OPIc: 1 hour

WPT: 45 to 95 minutes range

RPT: 90 minutes

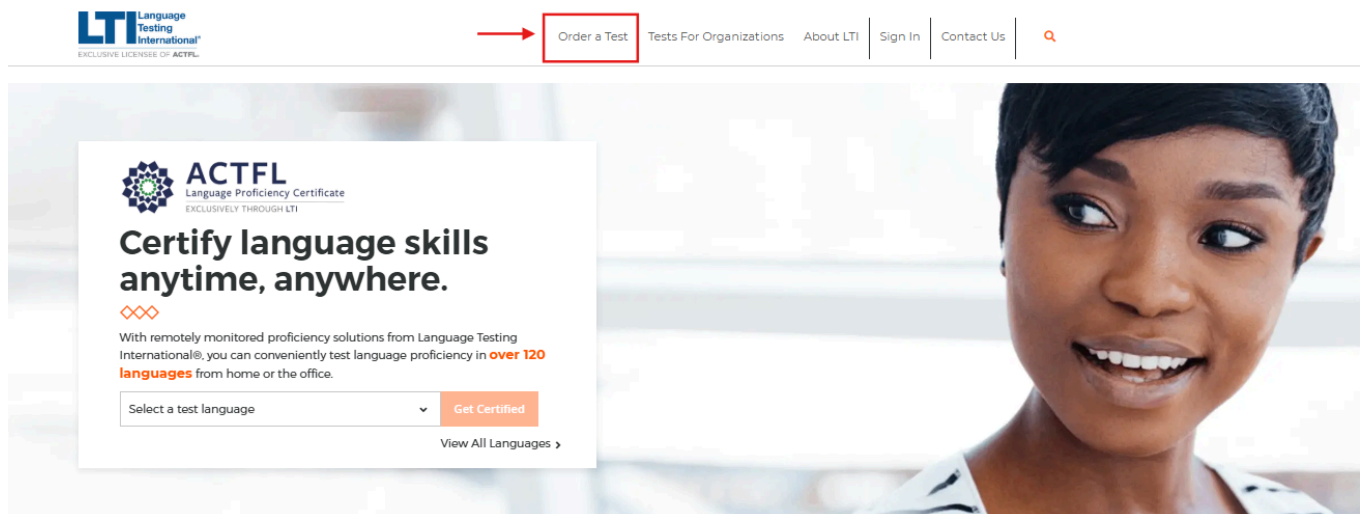

LPT: 90 minutes

The total cost for the four tests including four remote proctoring sessions is \$310.

To order tests and schedule remote proctoring sessions:

Step 1: Go to <https://www.languageTesting.com/>

Step 2: Click on **Order a Test.**

The screenshot shows the top navigation bar of the LTI website. The logo for LTI Language Testing International is on the left. The navigation menu includes 'Order a Test', 'Tests For Organizations', 'About LTI', 'Sign In', and 'Contact Us'. A red arrow points to the 'Order a Test' button, which is also enclosed in a red rectangular box. Below the navigation bar is a large banner for ACTFL Language Proficiency Certificate. The banner features the ACTFL logo and the text 'Certify language skills anytime, anywhere.' Below this, it states 'With remotely monitored proficiency solutions from Language Testing International®, you can conveniently test language proficiency in over 120 languages from home or the office.' There is a dropdown menu for 'Select a test language' and a 'Get Certified' button. A link for 'View All Languages' is also present.

Step 3: Enter **Arabic** as the language and click **Next**.

The screenshot shows the LTI Language Testing International website. At the top left is the logo for LTI Language Testing International, with the text "EXCLUSIVE LICENSEE OF ACTFL" below it. To the right of the logo is a navigation menu with links: "Order a Test", "Tests For Organizations", "About LTI", "Sign In", and "Contact Us". A search icon is also present. Below the navigation menu is a progress bar with five steps: "Choose Language", "Choose Test", "Schedule", "Sign In", "Checkout", and "Confirm". The "Choose Language" step is currently active. The main content area has a heading "Select the language you would like to get certified in:" followed by a dropdown menu showing "Arabic" and a "Next" button. Below this is a section titled "Popular Languages" with a decorative diamond icon. It lists several languages with dropdown arrows: Arabic, English, French, German, Italian, Korean, Mandarin, Pashto, Persian Farsi, Portuguese, Russian, and Spanish. At the bottom of this section is a link: "View our complete list of 100+ languages."

Step 4: In the orange right-hand column under **I am looking to test for teacher certification or as part of my school program** scroll down to the 2nd box, "I am a College/University student or teacher and need to take an ACTFL assessment as a requirement for my academic program." and click **Choose Test**.
