General

- We are offering play group and story time combination from 9-10:30 on Fridays. It is now called Fridays Read & Play Plus. We are now the Play Group for Enosburg and through this we now can purchase/spend money for programs and crafts etc. for age birth – 5 and then once a month submit the receipts to be reimbursed through Family Resource at NCSS. We must spend the \$2,000 by June.
- I am currently working on the on-line course for the ALA-LTC grant and attending on-line meetings bi-weekly. I am hopeful to hold the first public meeting in March or April.
- We are still trying to sell the Fairy Tale Festival Calendars for our fund raising. We have lowered the price to \$10/each.
- Most of the ARPA Grant items have been purchased and delivered. We still are waiting for the bench.
- The Gingerbread House contest was very well participated. I have let EBA know we would be glad to host this again next year.
- Operation Happiness was a great success and we have agreed to do this again for 2022.
- The Community Tree of hats, mittens and scarves grew to include socks, stuffed animals, blankets and tree ornaments from the Historical Society. It was amazing the generosity of the community and the number of items that were greatly appreciated.
- State Standards paperwork is done and submitted for the year 2020.
- Sara and Lisa's evaluations are done.
