

Thursday Night Skins Game

League Format and Rules:

- Individual, no handicap skins game
- Not a formal league, play when you want, play not required each week.
- Blue tees; with the exception of 65+ (white tees)
- Tee times will start @ 5:30 pm, arrive by 5:00, will draw cards for random playing partners.
- Pay weekly: \$35 for 9 holes (\$5.00 discount for military)
- \$10 skins game, paid in cash before, will be paid out that night. \$1 per par 3 closest to pin.
 - A skin is the lone low score on each hole out of all competitors. If there is a tie for the low score on each hole, then there is no skin. Each hole has the opportunity to win a skin.
 - If there are no skins out, the pot will carry over to the following week. If you did not play the week before and choose to play in the week with the carryover pot, you will have to pay double for skins (\$20) to be eligible for the carryover pot.
- Play it where it lies, cannot improve your lie anywhere, no gimmies, must hole every putt.
- Will abide by normal USGA rules (with exceptions below)
 - Sand traps – Depending on weather/course conditions, traps may be rake and place or unplayable.
 - Double par maximum (help with pace of play)
- Pick up score cards before round, turn into drop box after round.
- Score cards need to be reviewed and agreed upon by all players prior to turning in the card for the night. If a score is disputed, all players along with Golf Ambassador will review and resolve the dispute on the night of match.
- For any additional questions or rulings call (937) 631-7196 for golf ambassador, Caleb Westfall.
