

Meet Background

The Minneapolis South/Washburn/Roosevelt team wish to welcome you to the 33rd annual Maroon and Gold Invitational Swimming and Diving Meet.

We hope you will enjoy the team-oriented format of this competition. One of the great joys of high school and college swimming and diving is the opportunity to compete in head-to-head competition. Anybody who has participated in, or been a spectator at, an outstanding dual meet will find it difficult to duplicate the sheer excitement and drama of such a contest. Our meet is designed to most closely simulate that environment.

We all hope that you enjoy this meet and are a witness to some truly talented swimming today. I believe this meet is the best the water has to offer!!!!!!

Finally, we would like to express our appreciation to Linda McKee and the entire Aquatic Center staff for their assistance in making this meet possible each year. It is a treat to compete in a world-class facility where we can stage an event such as this. Please show your appreciation by treating the facility and all who compete and work here with respect. Have a great day and great finish to your season.

Your Meet Director,
Chris Aarseth

Mpls. South/Washburn/Roosevelt High Head Swim Coach,
Jeff Sanders
