2026-2027 Baldwin Woodville Community Scholarships

**Due March 31, 2027 - Strict deadline
(Late applications are not accepted)**

- Any BWHS senior pursuing education beyond high school.
- Local scholarships from members in this community are available under just one application.

This booklet lists scholarships that have been offered in the past

(Please keep in mind that changes do occur year to year)

Highlight any scholarships you are interested in. Use this as a guideline of when the scholarship may be available. A scholarship is typically posted and applications are available about two months before being due.

Keep this as a resource to access online applications. If it is not listed in this booklet with a website, it is likely that a paper application will be required. If you are asking people for a letter of recommendation, make sure you give them a week or two. Give them a resume or brag sheet. Do not use family members.

Unofficial transcripts can be found on your Skyward account under the portfolio tab. Be sure to preview your transcript so your self-reporting is consistent with the ranking and cumulative GPA being sent out on your transcript. If the scholarship requires an official transcript, please [request](#) it online or see [Ms. Apfelbeck](#) with questions. Ask the financial aid office of the school you are applying to, and search the college website. Most colleges require you to be accepted to them before applying for scholarships.

NEVER PAY A FEE OR ANY MONEY WHEN APPLYING FOR SCHOLARSHIPS. SCHOLARSHIPS ARE MEANT TO BE FREE. BE WARY OF GIVING OUT YOUR SOCIAL SECURITY INFORMATION FOR A SCHOLARSHIP APPLICATION.
