**Sunday, Aug 1 @11AM EASTERN**

**\$3,000 IN PRIZES**

'High Ticket Heist' is our way to hijack NON make-money niches, and profit from them, using high ticket offers. No one else is going after this audience - they assume they're not targeted. They are wrong. We, and our students, have been doing this or several months, profiting handsomely from it, and now for the first time, we're bringing the method to WarriorPlus.
