**Eleora DeMuth, Fourth Year | University of  
Minnesota-Crookston  
MNYI Paper Topic: Water  
MNYI Paper Country: Tunisia**

I'm currently a student teaching in southern MN and will be excited to be an agricultural teacher in the fall of 2021!  
I am adventurous, creative, and caffeinated. Oh, and I love students in agriculture!

If I were a food, I'd be coffee.
