Dear Pinckney Community District Families,

On behalf of Aramark K-12 Dining, I would like to take this opportunity to welcome your student(s) to the 2021-22 school year!

It's a privilege to serve your school community, and we're looking forward to providing students with a variety of convenient, tasty, on-trend, and healthy meal choices. Through June 2022, all student meals for breakfast and lunch will be **free of charge** under a waiver from the U.S. Department of Agriculture (USDA) Food and Nutrition Service. **This does not include any additional meals/ milk and á la carte items**.

While we know we must always be prepared to alter our operations if teaching and learning models change because of the ongoing pandemic, we're excited and ready to continue to safely serve students delicious, fresh and nutritious meals at no charge. All of our meals meet USDA school breakfast and lunch guidelines. Check out our daily menus at: www.pinckneypirates.org/District/Departments/FoodService /Monthly menus.

Although all meals are free of charge in 2021-2022, it is important for you to complete an application for Free or Reduced price meals. Information from the application can better determine eligibility status towards additional benefits and it can help your school secure funding and resources to give students better overall educational experiences.

Please refer to "PARENTS GUIDE TO FOOD SERVICES 2021-2022" for additional information.

If you have questions or we can help in any way, please contact our team at 810-225-5628 or 5627.

We can't wait to serve your student(s)!

Best wishes for a successful 2021-22 school year,

Suzanne Milliken, R.D.
Food Service Director
