Dear Pupil,

We are glad to meet you and welcome you to our school.

We are aware that you can't speak our language very well at the moment and unfortunately we can't speak yours. Therefore, sometimes it will be difficult to communicate but we will not be afraid of that.

As time goes by, we will learn together how to know and understand one another.

We trust you and please be sure you will be one of us. Together we will find the words to get to know one other and share our experiences, feelings and knowledge.

Day by day, you will learn interesting new things. You will also be very satisfied and motivated during your school days.

We are sure that we will grow up and become better people

TOGETHER!

We wish you a happy school beginning and... a good learning experience together with us!
