

## Students for Zero Waste Social Media Intern

**Description:** PLAN is seeking a part-time intern to provide social media coverage before and during our 2021 Students for Zero Waste (SZW) Virtual Conference, taking place November 5-7. This intern will work with PLAN's Director of Communications, Isabel, and another intern to build excitement around the conference, conduct outreach to students and campuses, and provide live updates on social media during the conference weekend. *This internship has the potential to continue into the Spring semester for general social media support.*

### Required Tasks:

- Create materials promoting the 2021 Students for Zero Waste Conference (**must have November 5-7 open** to provide day-of event coverage)
- Help maintain PLAN's social media presence by creating and researching relevant content
- Assist with social media outreach efforts for the SZW Conference

**Location:** Remote

**Application Deadline:** Monday, September 20, 2021

**Duration:** October 4, 2021 - December 17, 2021 with potential to continue into Spring

**Compensation:** \$15/hour for an average of 10 hours per week

### Preferred Skills:

- Familiarity with social media platforms and management, particularly Instagram
- An eye for design and ability to create graphics with the use of templates
- A passion for building excitement around events
- A passion for connecting with other students and campuses
