

KEY:

- If someone already wrote in a course you like, **endorse it by highlighting the entire row in green**
- If someone wrote in a course that you dislike (but so do they), **endorse it by highlighting the entire row in red**
- If someone dislikes a course you like OR likes a course you dislike, **please add a comment to the “Notes” section and bold your text.**
- If you have more things to add to any of the sections, *please italicize your text.*

Course Name (Units)	Quarter when you took it & (quarter available)	Professor (also recommended professor, if applicable)	Workload (heavy, medium, light) and/or	Reason why you took it	Notes
CMN 10V (4) Intro to Communication -online	Fall 2022	John Theobald	Medium- heavy	CMN major requirement	-Proctored M/C online exams -weekly online quizzes -easy research article assignment - short time limit for questions -Hostile to helping students when asked Textbook required, use as study guide for exams
PSC 041 Research Methods in Psychology	Fall 2022	Priscilla San Souci	Heavy	For “fun”	-In person M/C & fill in response exams -5 exams, lowest one is dropped or can skip final exam
CMN 101Y (hybrid) Communication Theories	Fall 2022	Bo Feng	Light - medium	CMN major requirement	-online lectures, in person discussion -weekly M/C quizzes, pretty easy if you watch the lectures -no final exam
ANT 144 Latin America	Winter 2023	Mariel Garcia Llorens	Medium	ANT minor elective	-2 take home papers, “thought bit” assignments,

Course Name (Units)	Quarter when you took it & (quarter available)	Professor (also recommended professor, if applicable)	Workload (heavy, medium, light) and/or	Reason why you took it	Notes
---------------------	--	---	--	------------------------	-------

(Anthropology)					weekly discussion post memos, Discussion participation credit -interesting readings/films
PHI 12 Intro to Symbolic Logic (philosophy)	Winter 2023	Elaine Landry	Medium-Heavy	CMN major prereq	-did p/np -fill in response Quizzes and Exams online -worth large portion of your grade -Fast paced lectures -unhelpful TA in understanding concepts
CMN 140 Mass Communication	Winter 2023	Taylor	Medium	CMN major requirement	-interesting lectures -easy to understand material -difficult M/C exams with specific fact questions & a writing portion -study groups are lifesavers
ANT 145 South Asia	Spring 2023	Srinivas	Medium-Heavy	ANT minor elective	-multiple long readings each week -expected to read before class to discuss -2 Take home paper exams based on readings/films
CMN 149 Race & Media	Spring 2023	Jeanette Ruiz (Highly recommend for any course)	Light- medium	CMN major elective	-cannot recommend this class enough -M/C exams based on lectures & readings
CHI 114	Spring 2022	Yvonne Allen	Light-medium	Funsies	- have to read

Course Name (Units)	Quarter when you took it & (quarter available)	Professor (also recommended professor, if applicable)	Workload (heavy, medium, light) and/or	Reason why you took it	Notes
---------------------	--	---	--	------------------------	-------

Women of color Reproductive health & reproductive politics in global perspective					-don't read, don't go to class Exit quiz in every class (not too hard) -1 group work project
MCB 10 Introduction to Human Heredity	Spring 2023	Marina Ellefson (or Crowder; same prof, diff name) HIGHLY recommend	medium	Major rec	- Dr E is incredibly kind and empathetic with students - very interesting class about genetics and cancer genes; can be fun if you enjoy biology - 3 problem sets, 2 exams and a final, and weekly discussion homework
PSC 001 Introduction to Psychology	Spring 2023	Matthew Traxler	medium	Major rec	- class is interesting but professor gives out 50 MC exams (not open note) and 2hr lectures (he's nice though) - would recommend class, not professor Traxler's exam format
BIS 2B Introduction to Biology	Winter 2023	Robert Furrow (highly recommend)	heavy	Major rec	- exams are not too difficult if you study; labs are simple and so is lab practical - 2 midterms and a final; weekly homework quizzes (open-note and online), pre and post labs
ECS 32A	Winter 2023	Kristian Stevens	medium-heavy	Wanted to learn	- lw super easy

Course Name (Units)	Quarter when you took it & (quarter available)	Professor (also recommended professor, if applicable)	Workload (heavy, medium, light) and/or	Reason why you took it	Notes
---------------------	--	---	--	------------------------	-------

Introduction to Programming (Python)		(HIGHLY recommend)		some coding/GE	<ul style="list-style-type: none"> - TAs are incredibly accessible for help with assignments - midterms are online and open note, optional final - Lectures are kind of boring but are recorded
CMN 120 Interpersonal Communication	Spring 2023	Virginia Hamilton (highly recommend)	Light- Medium	CMN Major req	<ul style="list-style-type: none"> - 3 exams; are heavily lecture based & textbook based -super interesting lectures-prof uses personal life examples -extra credit & discussion participation credit
CMN 147 Children, Adolescent & Media	Fall 2023	Drew Cingel (Highly Recommend)	Light	CMN elective	<ul style="list-style-type: none"> - weekly quizzes on canvas - easy reflective papers -3 M/C & written response exams, noncumulative -interesting content
CMN 102 Empirical Methods	Fall 2023	Jeanette Ruiz	Medium	CMN major req	<ul style="list-style-type: none"> -Lectures are crucial to pass the exams -makes content easily understandable, always willing to help/clarify -research translation summary assignment, 2 M/C exams, final project, discussion participation credit

Course Name (Units)	Quarter when you took it & (quarter available)	Professor (also recommended professor, if applicable)	Workload (heavy, medium, light) and/or	Reason why you took it	Notes
---------------------	--	---	--	------------------------	-------

EDU 110 Educational Psychology- General	Fall 2022	Sophia Mattingly (highly recommended)	Light		<ul style="list-style-type: none"> -super easy course -professor doesn't believe in test or quizzes so there's is 3 papers due per quarter about your own personal education experiences -final is a 5 min podcast of you explaining how different factors can affect someone's education experience
