

PERMISSION FORM

NOTIFICATION OF FIELD TRIP

The Central High School Band students perform and participate in several events throughout the school year. In an effort to eliminate the use of a separate paper for each individual event, the following document will serve as the permission form for ALL CHS Band Events/Activities for the 2025-26 school year.

Students will be transported via school bus, charter bus, district vehicle or other school approved transportation, as indicated per activity.

Students will receive information and schedule/itinerary for each individual event as it occurs, but this form will serve as the permission form for ALL events and kept on file with the director during each activity.

Below is a permission form that we must have on file for each student to be able to attend the Events/Activities listed in the CHS Handbook and to travel via the transportation listed in this document. On the back page activities out of town & during the school day will have school transportation provided. Those activities pertain to this document.
