Off Campus Release Agreement

I understand as a member of the Work-Based Learning Program, _____ (print student name) will be off campus during a portion of the school day. This does not always mean my student is going to work or to his/her placement during the release time. The work/placement schedule could vary as per the employer/mentor. If my student is working during a time that is different from their scheduled school release time frame, my student should use the school release time for school related work and assignments from home.

I understand my student is not allowed to stay on campus during his/her release period(s). I give my permission for my student to go home if his or her work/placement schedule is different from their scheduled school release period(s). I take full responsibility for my student's safety while traveling. Carroll County Schools and the WBL Coordinator are released from any liability incurred while my student is off campus, on the worksite, and traveling to and from the worksite. I assume responsibility for complying with all state laws (ie: licensing and automobile insurance) for my minor child. I understand my student will receive a unit of credit per release period for this program. It is my student's responsibility to attend all classes as scheduled. Class attendance is mandatory in order for my student to go to work/internship each school day.

I understand that my student will be off campus for the purpose of working at a paying job or an unpaid internship. In accepting this privilege, my student and I agree to the stipulations detailed below. The privilege of this off-campus experience may be revoked if any of these stipulations are violated or if the school feels it is in the best educational interest of my student.

- As parent/guardian, I will ensure my student has a school parking permit and a reliable vehicle for daily use.
- As a WBL student, I will communicate with my WBL Coordinator as instructed and keep him/her updated on my work schedule.

Work Based Learning CLASS & JOB PROCEDURES/SYLLABUS

CLASS PROCEDURES

- Class Attendance: Students will meet for class with the coordinator once a month. This is a MANDATORY MEETING.
- The student is responsible for contacting the coordinator if he/she must miss orientation, class or work. The classroom models the job; therefore, you should contact the coordinator in a timely manner, just as you would for the job.
- **Car trouble, taking siblings to school and oversleeping are not approved tardies or absences by Carroll County Schools and will not be considered approved absences for Work Based Learning.**
- Wage and Hour Calendar: Students will receive time sheets (calendars) to begin documenting work hours for employer verification. They are to be validated each month by obtaining the employer signature and submitting to the WBL Coordinator through Google Classroom. The due date for submission will be by the 10th of the following month (ie. February timesheet is due by March 10) For each day after the 10th there will be -10 points deducted from the grade.
- Weekly Job Schedule: Students will submit their weekly job schedule electronically via Google Forms. Each week your coordinator will email and/or text the link to be completed for a grade.
- WBL ISS/OSS Procedures: If in the event you receive ISS and/or OSS, you are not to go to work and will remain in ISS for the duration of your WBL periods. You will complete assignments while in ISS and will be placed on probation for the program for the next semester. After school hours in ISS will count; however, no hours in OSS will count.
- Email/Text: All WBL students should have a working email and/or cell phone number. If the cell phone is disabled for any reason, the student should use the school computer to email the coordinator and check email every day.

GRADING POLICY

- Required Job Hours 40%
- Evaluations 40%
- Assignments, Forms, Meetings, etc. 20%

Assignments will be accepted late with -10 points per day after the due date. State-mandated forms will be accepted for a deduction in points and will result in the student staying at school with me until forms are returned.

JOB PROCEDURES

- All jobs and internships must be approved by the coordinator.
- Report to your job as scheduled in a timely manner. Follow directions and rules on the job regarding dress code, cell phone usage, time in and out, appropriate dress, etc.
- If you are written up or have job problems you must communicate with the coordinator immediately. Text, email, or stay after class to speak with your coordinator. Please, DO NOT wait until you are fired to discuss job issues.
- If the student is not getting enough job hours, he/she must let the coordinator know immediately. Hours will count toward a major part of student grades.
 - 1 period out for WBL, the student must average 5 hours per week

- o 2 periods out for WBL, the student must average 10 hours per week
- o 3 periods out for WBL, the student must average 15 hours per week
- If a student is terminated for “just cause” or if a student quits a job without a two-week notice, the student will earn no higher than 60 for that nine-week period; however, if the student is able to secure a new position during the same nine- week grading period, the grade may be adjusted. Students may not quit any position without written permission from the coordinator. If an employer ever asks a student to perform any unsafe, illegal, or immoral task, the student should leave the position and contact the coordinator immediately.

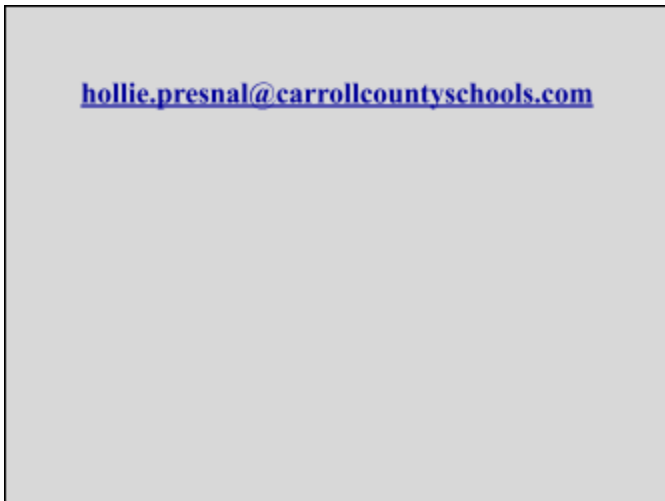

Important Points to know

- **Safety First!** If a student should experience any illegal, immoral, or unsafe situations while at work, PLEASE immediately report that to your superior and contact your coordinator. If a student feels that he/she must leave the job, do so; and contact your coordinator immediately. If necessary, leave a voicemail and/or a text, and your coordinator will contact you and your parent as soon as possible
- **Job Related Accidents**-If a student is injured on the job, no matter how minor the accident, the student and/or parent should report the accident to the coordinator. Appropriate paperwork will be provided to document the accident. Students are highly encouraged to request an on-site accident report on the job in the addition to contacting the coordinator.
- **Job Site Visit Rule**—The coordinator MUST be able to visit student job sites on a regular basis. Students will be required to submit a schedule each week for announced and unannounced coordination visits. Students must be on the job as reported, if a student has resigned or been fired from their job the student will have 10 days to find a new job. Failure to follow the rule could result in failure of the course or removal from the program. Students who do not submit a schedule as requested will be visited unannounced, and the same policy will follow, resulting in a failure for the student.
