

## Clubs Policy

Approval for new clubs will be determined by the SBDM council. The principal will screen all club applications to see that all criteria have been met. Clubs to be established shall be presented by the principal to the council for approval prior to the club's implementation.

Requests for new clubs shall be made prior to the second Friday of September. All clubs shall have an instructional basis and shall have a member of the school faculty willing to serve as sponsor. All clubs shall have specific by-laws and policies developed before requesting to be established as a club. Club meetings/activities will be offered before, after school, or during sharpen the saw time. Club participation is offered to all students. Clubs that have specific guidelines for participation will have established criteria for participants.

Sponsors shall submit the following information to the principal and Council for consideration of any new club request: a) relationship to core content and/or Kentucky Learning Goals; b) specific student activities; c) meeting dates and time; d) anticipated number of students; e) club meeting location; f) cost to students; g) written set of expectations/rules for participants; h) criteria, if any, used to select participants. Further, sponsors shall ensure standards for participation are consistent with any criteria set by the local, state, or national sponsor of the club and consistent with state and federal statutes and regulations.

Students will be eligible to participate in club activities if they comply with rules established by the adult sponsor for the activity and, where applicable, meet any requirements set by the appropriate sponsoring or governing organization.

Responsibilities of club sponsors shall include: a) maintain a list of participants including parent phone numbers; b) notification to parents and principal of the cancellation of an activity; c) supervise or arrange for a faculty member to be present at all activities.
