

Bi All Means!

In the mid-1990s in Milwaukee, a bisexual support group called Bi Definition arose from a merger of two other bi+ groups who would meet at the Counseling Center of Milwaukee, one of them a women's group called BiDesign and a local bi+ men's group. Bi Definition's mission was to nurture a safe, cohesive bisexual community across metropolitan Milwaukee, work for equal rights for bi individuals, and educate the public on bisexuality. As part of this effort, Bi Definition published an organizational and activist newsletter called Bi All Means! From 1996-2004. Bi Definition discontinued its newsletter and regular formal meetings in 2004.

More recently, in 2018, a new group called Bi+ Pride began in Milwaukee for bisexual and pansexual solidarity building with an active community presence on Facebook.
