

The following dates and times are when I am available to meet via Zoom with you to discuss your personal narrative essay development, answer questions you have, and offer advice on writing and college related matters!

Weekdays I'm only available during the evenings due to me working a full time job 8-5. But on weekends I'm available nearly all day.

## Instructions:

Enter your name below to sign-up. **Sign up at least 2 days in advance of the day you choose.** That will ensure I see your time slot has been filled!

If none of these times work for you, please email me. We will work together to find a day and time that works for you.

*You are not allowed to change another student's slot because they took the time you wanted. That would be rude and disingenuous.*
