

Capistrano Valley High School

Incoming 9th Grade Summer Basketball

CVHS Summer Basketball prepares young athletes for the rigors of high school basketball. It introduces them to the system that is used at CVHS. The Capo Valley coaching staff will get to know and learn more about each camper as time progresses. This summer season begins to mesh players that could be together for the next 4 years!

The CVHS Basketball program has won about as many games as any other public high school under Coach Mulligan's leadership the past 31 years. Come test yourself! It is another way of becoming vested in your next 4 years at CVHS.
