Team Name + Number	What the product is called	A short two sentences about the product + contact info for inside the brochure
33	Pallet Kingdom	Come have a brew of coffee and experience a lounge handmade from recycled pallets and fabrics. Learn how to create this furniture yourself while you're there, it will save you some coin and help reduce wasted materials.
34 Roasted	Brews & Banter	Wanna come for a cheeky brew? Our group Roasted is all about providing a relaxing experience for you to enjoy. So pop on round for some coffee, music, games and enjoy an area we have hand crafted from abandoned materials.
35	Organisers	
36 Eighty Sixxed	Adopt a Herb	We have a selection of plant bombs completely recycled and biodegradable, chosen by you and accompanied by a recipe.
37	Paper Toss	
38	Event Brochure	Welcome to the Abandoned Materials Market. This guide will take you around the event and tell you a little about each of our stallholders.
39 Third Life	Zines	We at Third Life Zines believe that a papers journey should not end with one blank side, but it's life should reach its full potential. Take a blank zine, give it's paper new life, pass it on and know that you are making a difference. e: briar.bayler@hotmail.com
40	The jar made me do it	Do you ever think that your jar could have a second life? A purpose beyond bringing us pleasure through food? We do and we want to bring that to you. The Jar Made Me Do It is a collective of ideas for your everyday life to help make decisions a little easier. Need a movie to watch? Pick one out of the jar. Need to spice up

		your sex life? Try our sex position jar. Endless ideas.
41 Printsie	Eco prints on recycled paper	Printsie offers hand-crafted, personalised prints to decorate your space and DIY stencils of our original designs. Using Eco dyes, this product is fully biodegradable.
42	NUB	NUB pencil extenders are made from recycled Massive magazines and a home-made biodegradable glue, all rolled up tight to create a longer grip for your abandoned pencil stubs. We teamed up with a local primary school who donated all of their discarded pencil stubs to help kick start the NUB revolution.
43 The Abandoned 5	Second Life Glass	Glasses made from abandoned empty bottles, a video and pamphlet about how to make them. Phone number: 0278204394 Email: sam.k.stephens@gmail.com
