

## PGA Jr. League All-Star Play Day Rules Addendum

The following rules of play and conditions of competition govern only All-Star Play Days utilizing the stroke play scoring format.

As scramble play is not recognized in the USGA Rules of Golf, the PGA of America feels it is important to establish some guidelines by which this format can be reasonably governed. The following PGA Jr. League official guidelines do not constitute any attempt to alter or revise the Rules of Golf but attempt to fairly apply the Rules of Golf to a two-person scramble format. PGA Jr. League is governed by the most current USGA Rules of Golf, the PGA Jr. League Conditions of Play, the following Local Rules specific to two-person scramble, and other Local Rules mentioned below. The Competitions Committee will be defined here as: PGA Section Staff, PGA or LPGA Representatives from the host facility, PGA Jr. League Rules Committee and assigned designees at all All-Star Season competitions.

**FORMAT:** Two-person scramble.

**SCORING:** The low three of four team scores will be used. Scores will be calculated to par and added to the Regional Leaderboard.

**ALL-STAR SEASON ELIGIBILITY:** All players participating in an All-Star Season competition must be on the official All-Star Team roster and meet all eligibility requirements. If an ineligible player participates in an All-Star Play Day, all strokes made by that player's pair will not be counted toward the team's aggregate score.

**TEAM SIZES:** All-Star teams are comprised of eight (8) players. A team that arrives to a competition with less than the above stated players, will not be penalized. However, groups must be constructed in the following way:: A team with 7 players must fill three 2-player pairs with 1 player playing one ball. A team with 6 players must fill three 2-player pairs and all scores will count toward the team total. A team with 5 players must fill two 2-player pairs with 1 player playing one ball and all scores will count toward the team total. Teams that arrive with 4 players or less will be ineligible to advance from the competition.

**ROUND:** 9-holes is considered a round in an All-Star Play Day.

**COURSE SET-UP:** Girls 10-11 will play from the CIRCLE tees, Boys 10-11 and Girls 12-13 will play from the PENTAGON tees, Boys 12-13 and Girls 14-over will play from the SQUARE tees and Boys 14-over will play from the TRIANGLE tees.

**DETERMINING A PLAYER'S TEEING AREA:** The player's league age (their age on July 31, 2025) is the age that will be used to determine the appropriate tees.

**PLAYING FROM THE WRONG TEEING AREA:** There will be no penalty or correction needed for a player who accidentally plays from the incorrect tees. However, if it is determined that a player *intentionally* played from the incorrect teeing area, the PGA of America reserves the right to declare him/her ineligible for the All-Star Season.

**ORDER OF PLAY:** The team listed first on the scoreboard/scorecard will have the honour to start the round. However, all players designated to hit from the furthest back set of tees will play first on every hole, regardless of which team has the honour.

**MAKING STROKES AND SELECTING BALL:** At each hole, both players on a side may make a stroke from the teeing area. Unless the tee shot is holed, the side must select one of the tee shots and both players may make a stroke from that location. Unless the second shot is holed, the side must select one of the second shots and both players may make a stroke from that location. This procedure is repeated until a ball is holed.

**PLAYING TWO BALLS:** In stroke play, if a team is uncertain about the right procedure while playing a hole, they may complete the hole with two balls without penalty:

- The team must decide to play two balls after the uncertain situation arises and before making a stroke.
- The team should choose which ball will count if the Rules allow the procedure used for that ball, by announcing that choice to the opposing team.
- If the team does not choose, the ball played first is treated as the ball chosen by default.
- The team must report the facts of the situation to the Committee before the competition is completed.

**ADVICE:** PGA Coaches and Assistant Coaches may provide advice to their players at any time during the playing of a game. However, it is required that they maintain pace of play while doing so. Additionally, it is recommended that each Coach:

- Allows players to apply what they've learned in practice while on-course with teammates.
- Empowers older team members to develop leadership skills through mentorship of younger team members.
- Refrains from reading putts for players.

**MAXIMUM SCORE PENALTY:** Unless noted as a serious breach of player conduct or eligibility, all stroke play violations that would result in a disqualification under the USGA Rules of Golf will be treated as with the penalty of the maximum score on the hole. See below "Conceding Putts" section for example.

**CONCEDING PUTTS:** All teams must hole a ball on each hole; there shall be NO concessions. If a team fails to hole out and begins play on the next hole, they will automatically receive the maximum score of triple bogey for the hole not completed.

**SHARING CLUBS:** Each player must not start a round with more than 14 clubs. However, the side may share clubs regardless of the total number of clubs carried by each player.

**OUT OF BOUNDS:** Defined as all areas outside the boundary edge of the course as defined by the Committee. All areas inside that edge are in bounds. In a PGA Jr. League competition, players may use the same relief options for a ball out of bounds as for a ball within a red penalty area. Note: This means that a ball still may not be played from out of bounds, however players may choose to take lateral relief instead of stroke and distance.

**LOST BALL:** If a pair's selected ball becomes lost outside of a penalty area, the pair must take stroke and distance relief by adding one penalty stroke and playing the original ball or another ball from where the previous stroke was made.

**LIFTING AND MARKING SELECTED BALL:** The selected ball may be lifted by the player, his/her partner, or another person authorized by the player, and may be cleaned. The position of the ball must be marked before it is lifted or played, unless the original ball is played from its original location. The mark must be placed right behind or right next to the ball and the mark may be moved up to one clubhead-length on the putting green or one club-length off the putting green. If a selected ball is lifted without being marked prior to taking a stroke, the pair will incur a one stroke penalty.

**NOTE:** If the original ball is played from its original location without being marked, there is no penalty. The second ball, if selected, will incur a one stroke penalty for playing from the wrong place.

**PLACING A BALL:** A ball must be placed by the player or his/her partner. If the selected ball is in the general area, a ball must be placed in the general area within one club-length of and not nearer the hole than the original ball's position. If the selected ball is in the bunker, a ball must be placed in the bunker, within one club-length of and not nearer the hole than the original ball's position. Under a penalty of one stroke, a player or both players may opt to take back-on-the-line relief outside of the bunker under Rule 19.2b. If the selected ball is in a penalty area, a ball must be placed in the penalty area, within one club-length of and not nearer the hole than the original ball's position. Or, the player may take relief under Rule 17.1d incurring one penalty stroke. If the selected ball is on the putting green, a ball must be placed on the putting green, within one clubhead-length of and not nearer the hole than the original ball's position. *There is no limit to the number of times a player may place and replace the ball, and may do so by any means as long as he/she does so within the appropriate area and does so without unduly delaying play.*

*Further information regarding the rules of competition can be found in the PGA Jr. League Conditions of Play and the All-Star Play Day Handbook.*
