There will be a Rotary Interact Meeting in the Media Center this Thursday starting at 7:15am. The Coffee Bar will be closed that morning and so will the Media Center while the meeting is in session.

On March 3rd, our school will be hosting a Blood Drive, and we encourage all students who are 16 years old or older to consider donating. If you're interested in signing up, QR codes are posted around the school, and there will also be sign-ups available during lunch all week. Students who are 16 years old will need a parent permission waiver. These waivers can be picked up in the front office, or you can stop by and see Mrs. Roth. Donating blood is crucial—one blood donation can help save up to three lives, and someone in the United States needs blood about every two seconds. Your donation can truly make a difference. Please consider signing up and helping save lives.

Mrs. Harrison has an employer looking for a worker in construction. If you are a junior or senior, please see or email her for more information.

The Future Farmers of America (FFA) was founded in 1928 in Kansas City, Missouri, by 33 students from 18 states. Their mission was to prepare future generations for the challenges of feeding a growing population. They taught us that agriculture is more than planting and harvesting – it's a science, it's a business and it's an art. The iconic blue corduroy jacket, worn by all FFA members, has been the official jacket of the FFA since 1933.

The Middle School Swim team swam at home against Fenton yesterday afternoon. The team gave it their best effort but wasn't able to get the win. Several races, Corunna were just out touched by Fenton, which made it hard to win. Emma Timlick had a great night swimming. She dropped time in every event she swam. She took 5 seconds off her 200 freestyle time and took 2 seconds off her 100 freestyle time. Hansen MacKay also shone by taking 1st place in the 100 IM and 2nd in the 50 fly, just missing 1st by 1 hundredth of a second. Clayton Schultz captured first place in the 50 freestyle and helped the 200 relay team of Duffield, Timlick, and MacKay take 1st place. Breanna Currie, Lucca Link, and Rhen Bronson went 1, 2, 3 in the 50 back. The team travels to Kearsley on Wednesday trying to get back in the win column.

Lunch choices today are: Sub Bar; Cheese Bosco Sticks; Italian Meatball Sub; Chicken Nuggets; Mandarin Chicken Salad; or Chicken Caesar Wrap.
