- \$200 for each additional participant

What's Included

Each workshop includes:

- A custom-tailored EAL experience facilitated by certified professionals
- Ground-based activities and exercises with our trained therapy horses
- Guided debriefs to help integrate lessons into real-world scenarios
- Safe and supportive environment for all participants
- All materials and supplies

Note: No prior horse experience is necessary. All activities are done on the ground (no riding).

Participant Experience & Expectations

Participants can expect to:

- Improve team cohesion and problem-solving
- Enhance communication and trust
- Develop leadership and emotional intelligence
- Gain fresh perspective through reflective exercises with horses

Workshops are experiential, hands-on, and deeply impactful. We encourage teams to come with an open mind, comfortable outdoor clothing, and a willingness to engage fully.

About Us

Healing with Horses Ranch is a 501(c)(3) equine-assisted service center that promotes resilience, independence, and healing through the power of the horse. By creating space for healthy relationships between horses & humans, we empower individuals to develop life skills in a safe, inclusive environment. We don't want to just touch lives, we want to change lives.
