Board Reports

- President Report – Annamarie Martinez and Julie Swander
 - Recent Event Overview/Feedback
 - Family Movie Night - Thank you Stephanie Briggs for all of your hard work - ***Went well. Kinder night being fast and easy went really well. For the 3-5th, more round tables out and parent's enjoyed. The rentals weren't charged for so we didn't use full budget. The budget seems appropriate if we do have to pay for rentals next year. The subtitles were fine, but it would have opened up more options if we don't worry about subtitles. They also weren't super legible on the big screen.***
 - Fundraisers - Winterhawks Game & Burgerville - ***It was fun. Some fights. LOL. Love that we're thinking outside the box on the fundraisers.***
 - OMSI Night - Great event, evaluating plans for next year. - ***Attendance was lower than years past. Next year there will not be Stafford to split the cost with. We will reach out to Cedar Oak to see if they want to partner, as well as Frog Pond. The special exhibit was appreciated this year.***
 - World Cultures Night - Huge thanks to Tammi Huynh and Jessica Banuelos for putting on an incredible event! - ***The layout was way better being spread out. We can likely condense the footprint some. Many parents didn't know that the students were all able to perform. Agenda for the performances overall would be helpful for family planning.***
 - Author in Residency - Thanks to Mark Fearing and VPs for planning.- ***Kids seemed to enjoy it. The assemblies were well done.***
 - Upcoming Events
 - Artist in Residency- March 9th - 20th - ***It is going really well. There are make-up times for students who miss sessions. All of the staff are able to do one as well. There may still be some volunteer needs.***
 - Restaurant Fundraiser- Mod Pizza March 15th, 2026
 - Families for Education, Inclusion, and Access Group Meet-Up - March 18th 11:00-12:30
 - Pizza Bingo - April 10th, 2026 at 5:30 - ***Everything has come together this week. There is going to be a secondary location for low sensory needs and someone will echo the ball numbers to the other area. White board could be helpful, too. Maybe zoom it to a screen. Digital bingo site. The team will find the site they like and send to Katie to make sure it can run on one of the school laptops. \$1900 for Pizza, need an invoice. Cash prize amounts needed: \$300 in 5's. We will need a cash box and it will need to be signed in and out. Reimbursement form is on the website and in the office. PDF format preferred.***
 - Thorns Game Fundraiser - May 17th
 - Book Fair- April 13th - 17th - Different structure this year; volunteer asks forthcoming. - ***We will need volunteers. This will come out after spring break. The PTA is hosting the fair. Monday will be in school hours. Tuesday, 7-7:45, early morning volunteers,***

Wednesday school hours. Thursday, 2:15-4:14 and then 5:15-7:15. No sales on Friday.
