

T.O.S:

Commissions are accepted on a per request/user basis.

Payment policy is half the total cost up front, with the second half to be paid after a rough draft is sent for approval.

Refunds will be given if a commission is canceled before I start/before the second half is paid.
No refunds once full payment is complete.

I will do:

SFW, Vanilla NSFW, Somnophilia, Non/Dub con, Hypno, Bondage

I won't do:

Scat, Snuff, Loli/underage characters/etc, Feet, Diapers, WS

Anything not listed can be discussed on a per user basis.

Pricing:

15\$/1000 words. NSFW will add a 2.50\$ Charge (I'm still not quite confident in my sex scenes, so please keep that in mind!)

If the commission goes slightly over desired word count (ex 1250 instead of 1000) No charge will be added (Sometimes extra words are necessary for pacing/detail, after all, and can't always be foreseen!)
