❑ November 6: Half-Day ACT Practice Assessment & Senior Non-Attendance Day

- ❑ Friday, November 6, is a half day for RB students and a School Improvement Day (SIP) for staff. Students will be dismissed shortly after 11:00 a.m. To make the most of the shortened day and support long-term success on the ACT, all freshmen, sophomores, and juniors will take a practice assessment that closely resembles the official exam administered in April. This experience will help students become familiar with the test and provide staff with valuable data to target instruction and help students maximize their potential. Additional details will be shared as the day approaches.
- ❑ **Friday, November 6, will be a non-attendance day for all seniors.**

❑ 2027-28 Lake County Technology Campus Applications

- ❑ This message is for all sophomores and juniors CONSIDERING attending the Lake County Tech Campus next year. The application is now open and can be accessed in the top right corner of the main page of the Tech Campus website: www.techcampus.org (**APPLICATION, 27-28**). You can also find more information about each of the programs listed at the top under **PROGRAMS**.
- ❑ Although it's still early in the school year, if you think there is any possibility that you might want to attend Tech, it's important that you complete the application **as soon as possible** to reserve a spot. In recent years many of the programs were filled to capacity within a few weeks of the application opening. If you do not complete the application early there is a strong possibility that you will not be able to get a spot in your first choice program. We can cancel your enrollment later in the school year if you change your mind.
 - ❑ Please contact your Counselor if you have any questions.
