Good Morning Middletown Middle Students and Staff,

Middletown Middle School is a welcoming place where everyone has the right to feel valued, appreciated and celebrated. As members of the Middletown community, each and every student and staff member has a right to a safe and respectful school experience. Our number one priority everyday is to ensure the safety of all students and staff in this building. As a staff we will continue to work for a school community that demonstrates this.

As staff and administrators, we reaffirm our pledge to work for a school that is a kind, affirming, and welcoming community. If you see or hear of behaviors or actions contrary to this commitment, you are encouraged to speak with any staff member. If you would like to speak with someone, please know that we are here for you.

Healthy relationships among the members of our community are essential so we can grow stronger together. As KNIGHTS, we are up for any challenge before us to fulfill our mission to engage and prepare each of you to achieve the goals before you now and in the future. Let's work together to make this happen.
