

The Educator's Blueprint

Hosts: Dr. Lisa Powers and Dr. Trisha Guffey

Purpose: Join us as we engage in meaningful conversations on topics currently impacting our school systems, behavior, and instructional practices. From the classroom to the boardroom, we welcome you to unpack, reflect, and learn with us.

Bonus 3: Back to School Data

Guest: Dr. Heather Hatton

Guest Quotes:

- *Data based decision making may be our magic wand.*
- *Data helps us quantify and see patterns to get a clear sense of what is happening.*
