Submissions for consideration should feature advanced undergraduate research within humanities and related disciplines: History, Literature, Philosophy, Art History, Modern & Classical Languages, Religious Studies, interdisciplinary humanistic studies, and social sciences with humanistic emphasis.

To submit research, please send your name, institution, email address, faculty research supervisor, documentation style, paper title, and completed essay (not to exceed 10,000 words) via email to the [HRC@lycoming.edu](mailto:HRC@lycoming.edu) by **May 30, 2025**.

Manuscript preparation guidelines:

- Submit research as a Microsoft Word file
- Employ a standard documentation style and works cited/bibliography (MLA, Chicago, Turabian, or APA)
- Minimize any notes and include them as endnotes
- Use standard Times New Roman 12 font
- Double space lines
- Use block quotation format for quotes that exceed three full lines of text
- Include all charts, graphs, or images (inclusion of images for publication subject to permissions and print expenses)
