[HOW TO CONTACT?]:

♡ To contact for an order, you can write to me in Discord - pupfafox#8333. I don't keep working moments in personal messages (like Telegram) or notes, only if you are not a person close to me / a friend.

[WHAT DO YOU NEED TO ORDER?]:

- ♡ Your idea and your characters in good quality (this is important otherwise I'm not responsible for the inconsistency of the palette)
- ♡ The number of characters is unlimited for any type of work, but preferably no more than 10
- ♡ References, your thoughts and a detailed description of what is happening are welcome. If not, it is in my power to offer you an option that suits you

[PAYMENT]:

- ♡ 100% prepayment, after the sketch is approved by the customer
 - ♡ I'm kindly ask you to let me know if you have any problems with payment. We will discuss how long it will take you to pay for the work. Up to this point, I do not proceed with your order, but work on others in queue. Otherwise, if, as soon as the sketch is ready, you could not pay, I reserve the right to make YCH out of the sketch (or use it for other commercial purposes) or dispose of it in my personal interests
 - ♡ Payment on Boosty (<https://boosty.to/pupfafox>)
 - ♡ Don't know how to pay via Boosty? Check the link: <https://m.imgur.com/a/F3FWDDr>

[I DRAW]:

- ♡ Feline
- ♡ Canine
- ♡ Anthro
- ♡ Humans
- ♡ NSFW-content
- ♡ Fetishes (50\50)

[I DIDN'T DRAW]:

- Technology, sci-fi, complex weapons and armor
- Horses and other ungulates
- Dragons and many mythical creatures
- Characters based only on description without refs

[YOU SHOULD KNOW]:

- ♡ I reserve the right to refuse without explanation if:

1. The declared characters are included in the list of things that I didn't draw
OR

your idea doesn't fit my standards of morality (this applies exclusively to fetishes, kinks)

2. You have been noticed for plagiarism / strokes / fraud, etc.

♡ The deadline from 3 to 5 days OR can be about 2 weeks (sometimes month), depending on my workload, the amount of work and your position in the queue. If I delay, I'll warn you

♡ The process of the work, except for sketches, I don't send. I do this exclusively at the request of the customer, so say it right away, whether you need it or not.

♡ If you need art for a certain day/event - let me know in advance. Then your order will be my priority. Otherwise, I am not responsible for the fact that you didn't have time to give something to someone, the money is not returned.
