```

#### Used variables

### Formula payment\_without\_five\_percent\_rules

\*, Code

payment\_without\_five\_percent\_rules

\*, Description

payment\_without\_five\_percent\_rules

\*, Expression

verified \* tarif

#### Frequency

(default to package frequency)

### Formula amount\_loss

\*, Code

amount\_loss

\*, Description

amount\_loss

\*, Expression

```
IF(difference_percentage > 5 AND type=0,
  verified * tarif,
  0.0)
```

#### Frequency

(default to package frequency)
