### Prelude

#### Morning Prayer

God of healing, you meet us in everyday places and address our most profound needs. You see us completely, with honesty and compassion, offering grace that refreshes and restores. Satisfy our longing for purpose, healing, and connection. Remove the walls that separate us from each other and from you. Open our hearts to welcome your Spirit, so we may be transformed by your love and empowered to share the good news with others. Through Jesus Christ our Lord. Amen.
