

PAIR PROGRAMMING

Name: _____ Partner: _____ Date: _____ Period: _____

DRIVER

controls the actions of the computer

NAVIGATOR

helps the driver

thinks about the BIG picture & offers suggestions

The DOs and DON'Ts

DO: Be respectful.

DO: Talk about the work.

DO: Explain what you are doing.

DO: Think ahead and make suggestions.

DO: Switch roles often.

DONT: Be a bossy navigator.

DONT: Grab the driver's mouse/keyboard.

PART 1 REFLECTION:

1. We stayed on task and got our work done.			
2. We worked well together .			
3. We stuck to the driver and navigator roles.			

+ What We Did Well	Δ What We Can Improve
