The 9th International Design Study Forum and Conference（IDSFC 2022）

Copyright Licensing Agreement

1. The authors confirm that the submitted manuscript (including abstracts and posters) are original work and that the content does not infringe the intellectual property rights of any third party, so that authors has the right to agree to the following authorization.
2. Once the author's submitted manuscript(s) (including abstracts and posters) is(are) reviewed and accepted by the "Ninth International Design Research Forum and Symposium (IDSFC 2022)". The editorial board agrees to authorize the conference organizer and its sub-authorization unit (free of charge) with paper and/or digital publication on related academic websites providing database services such as downloading, printing, and browsing. As it involves paper printing and electronic version production, authors must confirm not to withdraw after authorization.
3. This authorization is a non-exclusive authorization. The authors still owns the copyright of the submitted papers (including abstracts and posters), and may separately authorize it to other organizations, or submit journals and books.
4. The authorized content of submitted manuscript has obtained the consent of other authors. If there is any doubt, the authorized representative must bear all legal responsibilities.
