Considered for and passed second reading unanimously, FS, 2/21/2025.

Communicated to Library Committee,

Senate Bill 480

Recommendation for Dr. Luis Cruz-Vera to fill seat on Library Committee formerly held by Dr. Fat Duen Ho

Whereas the Faculty Senate routinely elects faculty representatives from each college and from the graduate school to serve on the Library Committee; and

Whereas the late Dr. Fat Duen Ho had previously been elected to that committee and was serving as the faculty member from the graduate school for the term ending in 2025; and

Whereas due to Dr. Ho's untimely passing, that seat is now vacant; and

Whereas Dr. Luis Cruz-Vera is currently serving on that committee as the faculty member from Science for the term ending in 2025, having previously been elected to that committee;

Therefore, be it resolved that the Faculty Senate recommends that Dr. Luis Cruz-Vera be considered as serving on the Library Committee both as the faculty representative from Science and also as the faculty member from the Graduate School for the remainder of the current term ending in 2025.
