Who are we

AHAA is the national governing body for Horse Archery in Australia for rules, grading and competitions, including the running of State and National Championships and International Events held here in Australia. We are also responsible for the selection of any invited Australian team to represent us in International Tournaments.

AHAA is affiliated with the International Horseback Archery Alliance (IHAA), the World Horse Archery Federation (WHAF) and the national horse archery bodies associated with these groups. Through these groups, the AHAA is also a member of FITE, the international oversight body for Equestrian Sports that do not fall under the purview of FEI.
