SUBJECT: [APPLY BY JULY 30] Atlas Corps Fellowship Opportunities in 2024

OPPORTUNITY | Atlas Corps is recruiting global changemakers between 22 to 35 years old who have at least two years of professional experience in one of our five main skill areas: 1) Communications & Marketing, 2) Monitoring & Evaluation / Data Analysis, 3) Operations & Human Resources 4) Partnership-Building & Business Development, or 5) Program & Project Management. Invest in your professional development! Learn more and apply at apply.atlascorps.org.

The Atlas Corps Fellowship engages global professionals committed to social impact in 12-18 month Blended Fellowships combining remote service and U.S.-based service or 12-month Remote Fellowships. Fellows serve with organizations based in the U.S. to learn best practices, build organizational capacity, and return home to create a network of global leaders. Fellows are placed in full-time roles with mission-driven organizations based on their skills & backgrounds. Fellows also participate in the Atlas Corps Global Leadership Lab professional development series to develop their leadership skills and engage in networking opportunities with leaders from around the world.

We need your help to spread the word with networks and individuals who could be a great fit!
