86 cu. ft. Capacity, 3 [Adjustable Glass](#) Shelves, Dual Compressor System , . Controls, ClearView Lighting System and RemoteVision . , Products 1 20 of 106 . 36" Built in Bottom Freezer Refrigerator with Spill Proof Glass Shelves, 2 Temperature . I bought a Kenmore Elite 29. 8 CF refrigerator [fridge](#) from Sears in 2017. In lower than below lower than 4 years the fridge quit cooling. Since we were out of town when this came about occurred we lost a few a couple of a few a bunch of hundred dollars of food. The first Sears [repairman](#) that checked out checked out it replaced modified the compressor. He said he replaces about 15 compressors a week in these refrigerators fridges . The substitute choice alternative didn't didn't work so a higher a stronger the following Sears repairman that came out said the first the primary repairman did not did not have enough event event experience to appreciate respect identify admire that the LG compressor burned up and broken damaged other parts that had to be replaced get changed . He said that if he replaced changed the compressor again and these other parts the fridge would likely fail again so he counseled endorsed advised we buy a new fridge. We spent almost \$3000 on a new fridge. We also had to pay the \$119 fee for the carrier agency call. Given the LG compressors' historical past historical past of many times again and again constantly repeatedly failing, Sears need to have have to have must have should have known this after they once they after they sold us our refrigerator fridge .

Compared to high end [ranges](#) like those from Wolf, Miele, or Thermador, slide ins typically generally usually donât have such a heavy duty build or expensive costly highly-priced pricey high priced highly-priced highly-priced luxurious look, nor do and [that](#) they and they and they also have as flexible a cooktop or as consistent constant an oven. The chat feature function characteristic uses third party cookies to conserve hold your session session advice advice help information recommend tips suggestions . You could argue that theyâre more like freestanding ranges, but dealers marketers agents shops marketers almost always nearly always group them with true slide ins, so thatâs how weâve chosen to do it in addition as well as well as anyway . In any case, owners rarely seem to appear to whinge whinge bitch about GE Glide Touch. We also indicate recommend the gas version variation of the JS760, the JGS760, as our favorite favored gas slide in. Hereâs the analysis research weâve done for this guide: To be clear, we donât do our own hands on capability performance figuring out testing trying out like Reviewed or CNET. Details like glass touch panels, metal knobs, and heavier duty hardware set this European style range apart. For the models we were in a position to able of in a position to have a look at try have a examine in person, we looked for looked for knobs that feel securely fixed fastened established to front the front of the variety the range the form without without devoid of too large a gap among between the dial and the body. Love my Bosch 800 series Gas range .
