Part 5 –羊たちの慟哭– ~The Little Lambs’ Lamentations~

The Shieldmaiden vs The Dragon Fae Xana —×— Memories

Scene 1

(Nighttime, inside one of Herensuge’s laboratories.)

Noemi:	“Our manipulation of Aizawa Kazuha’s memories remains stable still.” “She does seem to be regaining fragments of her old memories in the form of dreams, but thankfully, she went out of her way to tell me that herself.”
High Rank Researcher :	“The seal placed on her during the memory manipulation phase was reaching critical levels then, but it has since been brought under control after we raised its intensity.” “Though that did result in rather significant levels of psychological strain.”
Noemi:	“If it doesn’t fully break her, then it shouldn’t be a problem, not that I would mind if she ends up breaking anyway.” “As for Serizawa Chikaru... she seems to be having some lovely dreams of her own. Dreams so fun, in fact, that she can’t even tell them from reality anymore, ehehe.”
High Rank Researcher :	“We’ve increased the dosage of her medication by threefold, and her mental deterioration remains within the levels we’ve predicted.”
Noemi:	“It was worth it taking our time with her, it would seem.” “What of Hatsukano Yoh?”

<p>High Rank Researcher :</p>	<p>“She has worn the Guardian Suit just as we expected her to. Her mind is deteriorating even faster than Serizawa Chikaru’s, but that shouldn’t be an impediment to the experiment.”</p> <p>“Our one variable of concern should be Iijima Renka, I suppose? She is experiencing quite a high degree of psychological instability.”</p> <p>“We’re unable to predict what might become of her.”</p>
<p>Noemi:</p>	<p>“I don’t mind, after all, that is exactly the result I wanted.”</p> <p>“You’re curious as well, aren’t you? To see what all this pressure will do to her?”</p> <p>“I will ask that you do not kill her, however, she is the very last sacrifice we can make.”</p>
<p>High Rank Researcher :</p>	<p>“Hervör is just about to make contact with Legion Cuélebre!”</p>
<p>Noemi:</p>	<p>“Heh. Well then, I suppose it’s time for our poor little marionettes to begin their show.”</p>
	<p><i>*In an empty street*</i></p>
<p>Makina:</p>	<p>“Alrighty, so what’s the play here? Do we just rush ‘em face first? Do we make it look like we’re going around the back and instead rush ‘em face first?”</p>
<p>Yuni:</p>	<p>“You’re really the type to just try to strongarm your way through things when they go south, aren’t you? Though I can’t say I dislike that part of you.”</p>
<p>Mitake:</p>	<p>“We should still consider that, in trying to brute force them in a head-first charge, they’re just as open to retaliating in the same capacity...”</p>
<p>Fuuka:</p>	<p>“.....”</p> <p><i>*Fuuka stares down the Hervör members in the distance, all appearing completely mindless.*</i></p> <p>“.... They’re really going through with this.”</p>
<p>Mitake:</p>	<p>“.....”</p>
<p>Yoh:</p>	<p>“Target on sights.... title, Cuélebre.”</p>

Chikaru:	“I need to kill them... I need to kill all those Huge....! Or else... Makoto would have died... for nothing...!”
Yuni:	“That’s some serious baggage she got...”
Makina:	“Ugh... she like totally went off the deep end. Well, for Chikaru-senpai it’s just what we expected, with her being on those hard meds all this time...” “But ain’t that thing Yoh-senpai’s wearing the one you warned them about before, Fuuka?”
Fuuka:	“I warned them indeed, and even went out of my way to make sure that was settled.”
Yuni:	“So how come she is, well, like <i>that</i> ?”
Fuuka:	“I’d imagine that <i>she</i> used their so-called therapy sessions to chip away at Yoh-senpai’s mind little by little, and once she was no longer in a state to make sound decisions, she was told to wear the suit again.”
Makina:	“Fucking gross...”
Kazuha:	“So you really were here, Fuuka-san.”
Fuuka:	“And why are <i>you</i> here, Aizawa Kazuha? Hervör wouldn’t have any reasons to defend a GEHENA facility... would you?”
Kazuha:	“.....” “This installation is paramount to the future of all Lilies! We will <i>not</i> allow you to tear it down!” “This time, we’ll see that it is defended!”
Fuuka:	“Hahh.... you really are beyond saving.”
Kazuha:	“The ones beyond saving here are all of you.”
Mitake:	“What do you intend to do, then?”
Kazuha:	“That is obvious!” “Hervör <i>will</i> exterminate all of Cuélebre!”
Fuuka:	“She certainly seems serious....”

Mitake:	“Iijima Renka... can you hear us clearly?”
Renka:	“I-I...”
Mitake:	“How much of a grasp do you have on the situation Hervör is in right now?”
Renka:	<p>“I get it, okay...? I really do get it!</p> <p>“I get that everyone’s completely broken now...”</p> <p>“I tried to help them, okay? I really did... but there was nothing I could do!”</p> <p>“There’s nothing I alone can do to help them!”</p> <p>“No, actually... the one who wants help the most here is me.”</p> <p>“Cause what could I even hope to do after... after hearing about <i>that!</i>?”</p>
Mitake:	“Iijima Renka, did you...!?”
Yuni:	“So she does know the truth about Hervör?”
Makina:	“But like, <i>how much</i> she knows is the thing here... like, does she know everything? ‘Cause that’d be even more messed up...”
Fuuka:	“That’s just how the Vice-Principal does things...”
Renka:	<p>“All I can really do right now is fight for them!”</p> <p>“It’s the only way I can pay for what I did!”</p>
Makina:	“..... So, what do we do here?”
Mitake:	“Attempting any sort of conversation with them would be worthless, seeing how degraded their minds are.”
Fuuka:	“Our mission can wait, for now, we need to stop Hervör!”
Makina:	“Gonna be a pretty brutal fight, I’m guessing...”
Yuni:	“They’re truly so damn annoying...”
Kazuha:	“Hervör, we’re to engage... and exterminate Legion Cuélebre immediately!”
Chikaru:	“Ahaha, all those Huge for me to kill! I’ll kill you, all of you, all of you, all of you!”
Yoh:	“Understood. Cuélebre will be exterminated. Commencing combat...”

Renka:	“I just don’t care what happens anymore...”
	<i>*In another portion of the city, Ran, wearing the Sorginak System, prepares to enter the battlefield.*</i>
Ran:	“... These clothes feel a little weird around the waist.”
Yakumo:	“If the situation gets too dire, you can press the button on the waistpiece to increase your defenses.” “They do originally increase your offensive capabilities as well, but for the occasion, I saw it best to disable that functionality.” “As your mission tonight involves not defeating an enemy, but saving and defending your allies.”
Ran:	“... Boop.” <i>*Ran presses the button, and immediately experiences a surge of Magie*</i> “Woah, my Magie went up...!”
Yakumo:	“Do you feel unwell?”
Ran:	“Nope, just normal.” “... So you really are a witch, huh?”
Yakumo:	“What makes you think that?”
Ran:	“Cuz there’s this song Chikaru taught me, with a witch that makes a spell to get cookies when she taps her pocket.” “So this thing has a spell to give me Magie when I hit this button here, right?”
Yakumo:	“...I’d say the actual magic here lies in your own hands.” “Because saving Hervör will require a spell only you can cast.”
Ran:	“A spell... only I can cast.” “Okay, got it. I’ll do my best...”
Yakumo:	“From this point forward, I’ll no longer be in range to provide you guidance through the System. I’ll be praying for your success—” <i>*The Huge searcher begins beeping*</i> “It would seem that they already set up countermeasures to your presence.”

	The signal has an extremely high density of Magie compared to its size, so remain alert.”
	<i>*Ran spots the Juggernaut advancing towards her*</i>
Ran:	“.....!” “It’s that guy...!! I think the name was ‘Juggernaut!’”
Yakumo:	“The Juggernaut!? Ran-san, activate the Sorginak System immediately!”
Ran:	“Alright!” <i>*Ran presses the button and her Magie once again multiplies. The Juggernaut attacks, and Ran is barely able to block the hits*</i> “K-Khhh...!”
Yakumo:	“Ran-san!”
Ran:	“.....” “It’s okay.... I’m fine, it’s just...” “It’s a whole lot stronger compared to last time...! And it’s not sad like it was back then too...!”
Yakumo:	“The readings I’m getting... dear God, to think it got that much more powerful.” <i>*The Juggernaut begins emitting a large quantity of Magie*</i> “It’s focusing energy on its own body...? And these levels, oh no...!”
Ran:	“It’s coming...!”
Yakumo:	“Ran-san, do not try to intercept that attack!” “Even with the Sorginak System’s enhanced defensive barriers, your CHARM will not withstand the potency of its atta—”
	<i>*The Juggernaut unleashes its attacks, and Ran is able to dodge and deflect them. The Juggernaut’s Magie shoots up even higher, and it fires an energy beam at Ran, who attempts to parry it.*</i>
Ran:	“AHHH...!” “My CHARM.... it’s broken...!?” <i>*The Juggernaut attacks again, causing several explosions in the area*</i>

	<p>“Ngh.... agh....!?”</p> <p>“.....”</p> <p>“... Is this....”</p> <p>“.....Blood?”</p> <p>“T-There’s.... there’s so much blood coming out of me...”</p> <p>“I-It hurts.... it hurts so much...! It’s like.... I’m being ripped to shreds... what’s... going on...!?”</p>
Yakumo:	<p>“All of your vitals are going down by the second!! Ran-san, you must retreat immediately, it’s just too dangerous to continue fighting as you are.”</p> <p>“If it weren’t for the Sorginak System’s defensive barrier, that attack would’ve very likely been lethal...!”</p> <p>“As it stands, you can’t.... no, it wouldn’t be possible for any Lily alone to defeat the Juggernaut in this enhanced state.”</p>
Ran:	<p>“.....NO....!”</p> <p>“I’m not.... gonna run away...!”</p>
Yakumo:	<p>“RAN-SAN!”</p>
Ran:	<p>“.... You told me before, Ms. Witch, that I was just a weak little lamb...”</p> <p>“But you see, I... the little lamb.... wants to go to the Land of the Stars... together with everyone!”</p> <p>“If it’s for Hervör, if it’s for <i>them</i>...”</p> <p>“If it means I get to stay together with them, I’ll get back up as many times as it takes!”</p> <p><i>*Ran activates her Lunatic Trancer*</i></p> <p>“And as long as I keep that in my heart... I’m invincible!”</p>
Yakumo:	<p>“.....!”</p>
Ran:	<p>“So this...? This doesn’t hurt at all!”</p> <p>“Who cares... if there’s all this blood coming out of me...?”</p> <p>“Losing everything and everyone I love.... would be way more scary than this!”</p> <p><i>*Ran unleashes the Boosted Skill Alchemy Trace*</i></p>
Yakumo:	<p>“I’m receiving a signature of some CHARM-like material in your position...”</p>

	<p>kill you, kill you, kill you, kill you....”</p> <p>“Kill you kill you kill you kill you kill you kill you kill ”</p> <p><i>*Chikaru fires a barrage of projectiles against Makina*</i></p>
Makina:	<p>“Nnghh! The fuck was that!?”</p> <p>“Did you seriously sneak some actual direct shots in the middle of all that random fire? In <i>your</i> state!?”</p> <p>“That is <i>not</i> the skill level I signed up to handle! To hell with this, I’m not holding back no more!”</p>
	<p><i>*Further away*</i></p>
Yoh:	<p>“All enemies will be exterminated. Thoroughly, and completely...”</p>
Yuni:	<p>“... So, if the fishy stuff is happening in your CHARM, all I need to do is aim for its Crystal Core—“</p> <p><i>*Yoh attacks Yuni several times, but she is able to dodge her hits*</i></p> <p>“But I figured that’d be easier said than done!”</p>
Yoh:	<p>“... Registering the target's evasive maneuvers.”</p> <p>“Commencing range suppression protocols.”</p>
Yuni:	<p>“I never thought I’d see such a functional Extreme Boosted CHARM... I suppose trying to avoid killing her is no longer an option.”</p> <p>“...Mitake-sama, I would like some help over here! Renka-sama doesn’t seem to be in a state to do much anyways!”</p>
	<p><i>*Meanwhile*</i></p>
Renka:	<p>“Hah... hah...!”</p>
Mitake:	<p>“... I see, so channeling all her energy into keeping herself together despite her deteriorating mind is affecting her decision-making, resulting in a sharp decrease of her combat capabilities...”</p> <p>“Fuuka has thankfully drawn Aizawa Kazuha away from here, but Serizawa Chikaru and Hatsukano Yoh are another story...”</p>
Makina:	<p>“Mitake-senpai, I don’t think I can keep playing this game! Going easy against a Counteroffensive veteran is just impossible!”</p>

Yuni:	<p>“They’ll steamroll us if we continue just playing defense...!”</p> <p>“Mitake-sama, we’re going to get killed at this rate! Please, grant us permission to use the Sorginak and switch to offense!”</p>
Mitake:	<p>“Tch... I thought we’d be fine if we just destroyed their CHARMS, but it was naive of me to think we could do that with ease.”</p>
Chikaru:	<p>“Give her back.... give Makoto back to meeeeeee!!”</p> <p><i>*Chikaru unleashes a flurry of attacks against Yuni*</i></p>
Yuni:	<p>“Gghh.... Mitake-sama, we’re at our limit here!”</p>
Yoh:	<p>“Charging buster cannon.”</p>
Mitake:	<p>“.....! Divert all your available Magie to the Sorginak’s defensive barrier!!”</p>
Makina:	<p>“Are you deadass!?”</p> <p><i>*The Cuélebre Lilies begin charging their Magie into their Sorginak System units*</i></p>
Yoh:	<p>“Artillery mounted.... fire.”</p>
???:	<p>“STOOOOOOOOOP!!”</p>
Renka, Chikaru & Yoh:	<p>“.....!?”</p>
	<p><i>*Something strikes the ground between the Lilies*</i></p>
Renka:	<p>“N-Ngghh....”</p> <p>“.....Y-Yoh.... Chikaru....!”</p> <p>“Also, was that....?”</p> <p><i>*Renka turns to see Ran, bleeding and wielding a CHARM made out of her blood*</i></p> <p>“Eh....?”</p>
Ran:	<p>“It’s okay, guys.... the invincible Ran here... is gonna keep you safe...”</p>
Chikaru:	<p>“Yet another Huge is showing its face, huh....”</p> <p>“..... Eh?”</p>

	<p>"I-Is that Ran-chan...?"</p> <p>"Why.... does she have all those wounds?"</p> <p><i>*Chikaru returns to her senses*</i></p> <p>"Hold on.... what... am I doing...?"</p>
Ran:	"Up up and above, out beyond the big great sky... scattered 'round all about us, the stars up high..."
Yoh:	"....."
Ran:	"What did we find... that distant day... out among the sunflowers..."
Yoh:	"That..... song...."
Ran:	"Riding the soap bubbles... we little lambs set off... to the land of our dreams..."
Yoh:	"..... Ran?"
Ran:	<p>"Riding the soap bubbles.... floating over all the pretty things below..."</p> <p>"....."</p> <p>"Renka, Yoh, Chikaru... and Kazuha..."</p> <p>".... I want us.... to all go to the Land of the Stars... together.... I know that one day... we'll all get there..."</p> <p>"If there's pain, or scary stuff on the way... then I'm gonna protect you from it... so please..."</p>
	<i>*Yoh returns to her senses*</i>
Yoh:	<p>"What... is this....? Why am I...?"</p> <p><i>*Ran collapses*</i></p> <p>"Ran.... RAN!!"</p> <p><i>*Yoh runs over to Ran and activates her Brave*</i></p>
Ran:	<p>"Let's stop fighting already, okay....? Let's just all go home..."</p> <p>"Then.... we can all eat some Taiyaki together..."</p>
Chikaru:	<p>"Oh God.... what is wrong with me...!?"</p> <p>"I should've been trying my best to endure... for her!"</p> <p>"Why did I.... Oh God, Ran-chan....! I'm sorry... I'm so sorry..."</p>

Yoh:	<p>“Me too.... I’m so sorry, Ran...”</p> <p>“You must have been trying so hard... being so worried about us...”</p> <p>“You were probably worried sick about me, but I... I didn’t.... I didn’t give a damn about it....!”</p>
Ran:	“Yoh... Chikaru... are you feeling better now...?”
Yoh:	“Ran....!”
Chikaru:	“Ran-chan...!”
Ran:	“Ehehe.... I’m happy to see.... you’re yourselves again. So let’s quit fighting other Lilies now, okay...?”
Renka:	“Ran.... what’s that blood CHARM you’re holding...?”
Ran:	“It’s ‘cause... the Juggernaut broke my CHARM...”
Renka:	<p>“The Juggernaut!? You fought that thing alone...?”</p> <p>“Also... that’s the Sorginak System you’re wearing. Did you... did you seriously stop both Yoh and Chikaru’s fire...?”</p> <p>“Why... actually, how!? Also, those wounds, you...”</p>
	<i>*Further away*</i>
Makina:	“So, I’m guessing Hervör got their heads back on their shoulders...?”
Mitake:	<p>“It should be safe to assume that Ran was able to override whatever mental tethers were placed on both Yoh and Chikaru...”</p> <p>“As for Renka, I imagine she’ll still need some time... but for now, I agree it’s about time we ‘quit fighting’.”</p>
Yoh:	<p>“What in the world is going on here!? I don’t get it... what was I just doing!?”</p> <p>“Why would I wear this damned Guardian Suit again!?”</p> <p>“Wait, no, I remember... I put it on myself, I <i>chose</i> to do it... and I remember fighting Cuélebre too.”</p> <p>“But I don’t get why I would do all of that...”</p>
Chikaru:	“Me too. All I was seeing around me was Huge... I couldn’t really think of anything else...”

Yuni:	“They’re a mess.”
Makina:	“Not really that surprising. But man, I gotta say...” “Sheesh... that was brutal!” <i>*Makina and Yuni put their CHARMS down*</i>
Mitake:	“..... Renka, put your CHARM down already.” “Sasaki Ran’s words had to have gotten through to you too, right?”
Renka:	“.....” <i>*Renka puts down her CHARM*</i>
Ran:	“Kazuha... hey, where’s Kazuha...?”
All three:	“Kazuha! / Kazuha-chan! / Kazuha!”
Mitake:	“Her CHARM’s signature is nearby, we should go find her.”
Yuni:	“Ran... can you stand up?”
Ran:	“I’m... fine...” <i>*Yuni helps Ran up*</i> “My head’s a little fuzzy, but I got Magie from Yoh, Chikaru and you, so I’m okay...” “Also...ahaha.” <i>*Ran boosts her Magie with the Sorginak System*</i> “I can get even more Magie when I tap my pocket like this, just like the cookie story.” “So... don’t worry...! Let’s just hurry up and find Kazuha already...!”
Yoh:	“... Right... we need to stop her!”
Chikaru:	“Kazuha-chan... please be alright!”
<u>Scene 3</u>	
(In another section of the city, Kazuha continues fighting Fuuka.)	
Kazuha:	“Tch...!”
Fuuka:	“Why, you...!”

Kazuha:	“MATSUMURA FUUKAAA!”
Fuuka:	“AIZAWA KAZUHAAA!”
	<i>*Kazuha and Fuuka attack simultaneously, and the two of them strike each other*</i>
Kazuha & Fuuka:	“AAARGHHH!” “NNNNGHH!!”
Fuuka:	“... So you still live up to your No. 1 rank, even with all that rot in your head...! I may have not meant to actually cross blades with you at first, but now...”
Kazuha:	“Oh, you didn’t...?” “... Is it not you who resents me so much that you actually want to kill me?” “Is that not why, that day, you were able to raise your CHARM against me without any weight on your consciousness?”
Fuuka:	“Tch...!”
Kazuha:	“I’m sure this is a delightful opportunity for you as well, so come on... let’s settle this once and for all.”
Fuuka:	“... You know, I had the slightest sliver of hope that maybe, just maybe, you had it in you to resist it...” “But even in that, you disappoint me.” “I suppose it’s my fault for expecting anything at all from you...!”
Kazuha:	“..... What nonsense are you talking about!?” <i>*Kazuha unleashes several heavy attacks on Fuuka, who retaliates in the same capacity.*</i> “Khh....!?”
Fuuka:	“.....” (But still...) “Kazuha! Listen to me for once!”
Kazuha:	“What now?”
Fuuka:	“You’re...”

	<p>(This is my very last resort...)</p> <p>(If you die, I'll take full responsibility for it.)</p> <p>"The truth is..."</p> <p>"You are not the real Aizawa Kazuha...!"</p>
Kazuha:	<p>"What.... are you talking about?"</p> <p>"What do you mean I'm not Aizawa Kazuha....?"</p>
Fuuka:	<p>"Think about it. Are the memories you have actually your own...? Is the past you remember really something you've lived through...?"</p> <p>"Are you confident you can answer any of those questions with a 'yes'?"</p>
Kazuha:	<p>"My memories.... my past..."</p> <p>"No, I'm Kazuha.... I've always been... Aizawa... Kazuha..."</p> <p>"....."</p> <p>"Huh....?"</p> <p><i>*Kazuha remembers several key moments in her past*</i></p> <p>"I'm Kazuha... I'm...."</p> <p><i>*Kazuha continues to rummage through her memories, all of them appearing hazy and unclear*</i></p> <p>"Aizawa Kazuha..."</p> <p>"..... What?"</p> <p><i>*Kazuha regresses to her memories of the Tragedy of Hinode, and her memories begin to break down further*</i></p>
	<p><i>*Meanwhile, back in Herensuge*</i></p>
High Rank Researcher :	<p>"Aizawa Kazuha's brain waves are entering critical levels.... the block on her memories will come undone if this goes on!"</p> <p>"No, scratch that, her very mind is completely crumbling to pieces!"</p>
Noemi:	<p>"Hah.... they really went and did it."</p> <p>"It seems we'll have to move on to the next phase of the experiment ahead of schedule, it doesn't make sense to continue the memory manipulation now anyways."</p>
High Rank Researcher	<p>"But what of Aizawa Kazuha herself?"</p>

:	
Noemi:	<p>“We can continue regardless of whether she lives or dies, yes? That shouldn’t be a concern.”</p> <p>“The experiments on Serizawa Chikaru and Hatsukano Yoh have also been concluded anyways. Now, as for Iijima Renka...”</p>
	<i>*Back in the streets*</i>
Kazuha:	<p>“Ah.... aahhhh....”</p> <p>“Ngh.....ghh....”</p> <p>“Ugh....”</p> <p>“AAAAAAAAAAAAAGHHHHHHHHHHHHH!!!???”</p> <p><i>*Kazuha collapses on the floor*</i></p>
Fuuka:	<p>“.....”</p> <p><i>*Fuuka’s expression briefly softens as she watches Kazuha*</i></p>
Renka:	<p>“Kazuhaaaaaaaaaaaaa!!!”</p> <p>“What the hell....? K-Kazuha...!”</p>
Chikaru:	“Kazuha-chan!”
Yoh:	“Kazuha!”
Ran:	“Ka....zuha....!?”
Kazuha:	“.....Nnnnnnaaaaaaghhhhh!!!!”
Renka:	“.....!?”
Mitake:	“She’s convulsing! Makina, we need to use the Sorginak and bring her under control!”
Makina:	<p>“F-For real!?”</p> <p><i>*Makina and Mitake use their Sorginak units to attempt stabilizing Kazuha*</i></p>
Yoh:	“Chikaru, we need to do something too!”
Chikaru:	“Of course!”

Ran:	“Me too.... Kazuha!”
Yuni:	“Not with those wounds, you’ll just get in the way.”
Ran:	“Uuughh....!”
Kazuha:	“But I.... if I’m not... Kazuha.... then who....!?” “NNNGHHHHAAAAHHHHH!!!!”
Yoh:	“What did she just say?”
Renka:	“Oh God... Kazuha, did you....”
Chikaru:	“Renka-san....!?”
	<i>*Renka clings to Kazuha*</i>
Renka:	“Kazuha.... Kazuha!!” “Kazuha.... I’m so sorry.... I didn’t.... I couldn’t.... do anything....!” “It’s my fault.... <i>again</i> that you’re gonna...!”
Kazuha:	“Aaaaaaaaaaaaaaghhhhhh!!!” “.....Ah.... ugh.....” <i>*Kazuha loses consciousness.*</i>
Makina:	“.....Huh!? Hey, uhh... did she just...” “Oh, alright, she just passed out....”
Fuuka:	“.....”
Mitake:	“Fuuka, you didn’t....!”
Fuuka:	“.....”
	<i>*In the laboratory, a squad of Herensuge personnel breaks into the room*</i>
Herensuge Staff A:	“Not another move, Nishimura Noemi.”
Noemi:	“Oh my, such a large party of visitors. What’s the occasion?”

Herensuge Staff A:	“You are under arrest for subjecting the students of this Garden to unauthorized, potentially life-threatening experimentation.”
Noemi:	“What unauthorized experiments...?”
Herensuge Staff B:	“Don’t play dumb, all of the several you’ve subjected Legion Hervör to.”
Noemi:	“Oooh, those? Right, of course. You lot are only ever driven to take action when things become inconvenient for you.”
Herensuge Staff B:	“Yeah, sure, say whatever you want.”
Herensuge Staff A:	“.....You crossed a line here.”
Noemi:	(Is this the Principal’s doing... or do they simply intend to use me as their fall guy?) (Well, I don’t really care either way, but I cannot let this experiment be halted at this stage.) (Ahaha....) (My sweet little marionettes... just wait for me, alright?) (I’ll come back to play with you in a second.) “Heh.” <i>*Fade to black*</i> “Ahahahahahaha....”

~Part 5 end~
