RUBRICS for Continuous Evaluation (Lab Experiment/Assignment/tutorials)

Evaluation parameters	Maximum marks allocated	Rubrics		
		Needs Improvements	Acceptable	Exemplary
		Marks obtained by the learner		
1.Technical Understanding	6	0-2	3-4	5-6
		The learner needs to understand the theory/concepts	The learner has partially understood the intended outcome of the experiment/assignment	The learner has understood the intended outcome of the experiment/assignment reasonably well
2. Punctuality	2	Marks obtained by the learner		
		0	1	2
		The learner has not submitted the assigned work on time	The learner exhibits demonstrable time management skills but the work submitted is partially completed	The learner exhibits demonstrable time management skills by submitting the duly completed assigned work within time
3. Presentation	2	Marks obtained by the learner		
		0	1	2
		Presentation of the contents, figures, graphs, procedure and conclusion is poor	Presentation of the contents, figures, graphs, procedure and conclusion is average	All the contents, figures, graphs, procedure and conclusion are very well structured and presented
Total marks obtained by the learner out of the maximum 10 marks		1-5	6-8	9-10
		The record is not up to the mark and needs improvement	The record is useful in understanding	The Record is well written and clearly explains what the experiments/ assignment/tutorial are accomplishing
