Assessment and Expectations

Internal assessment:

Internal assessment will take place throughout the course as content is delivered. There are a total of 8 assessments to be undertaken throughout the year. These are a mix of open-book and closed-book assessments. All assessment outcomes are marked on a Pass/Fail basis with one re-assessment opportunity where outcomes are not passed at the first attempt. Key dates:

- **Crime in Society Assessments** – completed by December 2024
- **Scots Law: An Introduction Assessments** – completed by March 2025
- **Re-Assessments** – completed by April 2025

Homework and independent learning:

Homework will be issued throughout the year. Tasks usually include completing notes not finished in class and revising for upcoming assessments. Notice of upcoming assessments will be issued at least one week prior to the assessment and posted on Google Classroom. It is imperative that missed and unfinished work is completed as soon as possible so that learners are prepared to sit assessments when they occur.
