References

The list of references should only include works that are cited in the text and that have been published or accepted for publication. Personal communications and unpublished works should only be mentioned in the text. Do not use footnotes or endnotes as a substitute for a reference list. Reference list entries should be alphabetized by the last names of the first author of each work. Please use the APA (American Psychological Association) referencing style. For detailed information, please see the *Publication Manual of the American Psychological Association*, 6th edition, <http://www.apastyle.org/> and <http://blog.apastyle.org/>.
