_____Ensemble
_____Stage and Tech Crew: ___Lights & Sound ___Backstage (Sets) ____Hair/Makeup

Known, Existing Commitments -List and be specific

We understand that participating in this musical requires a commitment to our rehearsal schedule. It is mandatory that your child attends ALL rehearsals that are scheduled for a particular part. Please consider all extra-curricular involvement *before* making a commitment to the musical. Please note that some other school events, team events, and club meetings/activities conflict with this schedule. Please make sure you/your child will be able to adhere to our rehearsal schedule before he or she makes a commitment to the musical program.

The last 3-4 weeks before the performance will be very hectic and will involve adding 3–4 after school rehearsals as well as Saturday and Sundays. . Please make sure that this is an activity you can commit to before auditions. Students who have 3 unexcused absences will not be allowed to continue in this program.

It is also expected that parents will help to make this production a success. Parents should indicate which area(s) they are willing to help.

I have read the attached information and am aware of the time commitment and involvement. I am also aware that 3 missed rehearsals means that I will lose my part.
