

Pampa ISD At Home Learning -- Easy as 1 - 2 - 3

Week of: March 30-April 3

Welcome back! This week we will be transitioning to at home learning. Below you will find the activities and lessons to be completed for the week. Check out this [letter to parents](#) for tips to help get started.

- Don't try to do everything in one day. Complete 1-3 activities of your choice each day and remember to take breaks.
- It is important to set a schedule.
- If you have any questions, please contact us through Dojo or Google Classroom.

We miss you and can't wait to see your learning!

Get a start on your Spring flowers! Start a Plastic Bag Seedling! Use these steps or look at the link below.

- Wrap a seed in a damp paper towel.
- Put the seeds in the plastic bag and seal it. If the seeds need light, place them by a bright window. If not, put them in a drawer or a warm place.
- Every 5 to 7 days, open the bag to release excess condensation. Keep the absorbent material moderately wet when needed.
- Once they have sprouted, use toothpicks and carefully transplant seedlings to soil.

Creativity

Using lines and shapes, such as triangles, circles, squares, rectangles, and diamonds, create a picture of a musical instrument. You can create a new instrument or one that you have seen before.

*What is the name of your instrument? How does it work? What shapes did you use in your drawing?

Enrichment Activities (Optional)

Have fun with these activities!

Let's draw Pikachu! Just watch the video, stop it, and draw each step. If you do not have the internet, you can look at a picture and draw it! Let me see your pictures on Class Dojo if you can!
<https://www.youtube.com/watch?v=WoV4f1ncE7U>

Play some music and move to the steady beat while you: dance, clap, march, jump rope, etc..
What song did you move to?

Have a family dance party! What song did you dance to? How did it make you feel?

*Remember, I'd love to see your projects and activities! You can send them through Class Dojo!
