Jose P. Huerta
Superintendent Local District East
Salvador Torres, Ed.D.
Principal

In an effort to continue to increase student ownership and responsibility of school-issued devices, we are sending the following information that includes fees associated with device repairs. Please make sure the device and accessories are always stored in a safe location. Do not leave any devices unattended, and do not place any heavy items on top of the device. Stolen devices must be reported immediately to the school, and a police report must be filed by the student/parent.

Device Replacement/Repair Costs Fees

The following are the fees associated with repairing or replacing school-issued devices. All fees are to be paid at the Student Store. Bring receipt to Rm. 601 for repair/replacement. There are deductible fees associated with iPads under the limited warranty (accessories are not covered).

iPads:

Replacement iPad (Lost) Deductible:	\$75
Broken Screen Deductible:	\$25
